## News Notes

## Potential Local Medical Doctors Are Interviewed

A cooperative effort by the Tri-Cities Chamber of Commerce and local physicians to attract more medical doctors is continuing. Yesterday, six Quad-Cities interviewed 20 doctors in Chicago and several of the 20 expressed interest in locating here; further contacts with them are planned.

## Gun Wounds Prove Fatal To John Allen

John Aaron Allen, 36, of 2006 Harding Ave., died Saturday morning of gunshot wounds at his farm at the end of Lebanon Road in Collinsville Township.

Mr. Allen was found on the back porch of the farmhouse with three 12-gauge shotgun wounds to his chest and side at 9:40 a.m. He was pronounced dead at the scene by Deputy Coroner Phillip Herr at 9:50 a.m. Herr said he apparently had been dead about 40 minutes.

Madison County Sheriff's deputies were called to the scene by Robert Runge, family attorney, who said Allen's son, John Allen Jr., 15, had notified him of the fatal shooting.

Two squad cars and two detective cars answered the call.

Mr. Allen's widow, Mrs. Josephine Allen, was taken to St. Elizabeth Hospital by a Collinsville Fire Department ambulance and was admitted, apparently suffering shock.

Shotgun in kitchen. Deputies said Mr. Allen's shotgun, which apparently was used in the shooting, was found in the kitchen of the farmhouse. Four used shells were found nearby.

Mr. Allen was born in Granite City and had lived here 33 years. He was employed by S. M. Wilson & Co. contractors as a car mechanic.

Surviving are his widow and son; three daughters, Misses Loretta Ann, Geraldine Ann and Betty Ann Allen, all at home.

Funeral arrangements may be found in today's obituary column.

## Assembly May Bypass Bills To Change Primary Date

By RAY SERRAT  
Copley News Service  
Springfield — Preliminary sessions of the General Assembly will not tamper with next year's primary election of March 21.

There have been repeated reports that Chicago's Mayor Richard J. Daley wanted the primary election date moved back. This was a move to give Daley and the Democratic Party leaders more time in making up their election date for statewide offices next year.

But apparently this idea has not gained a great deal of support. As of now there is a bill in the General Assembly that would move the primary back to the third Tuesday in May. The bill is at passage stage in the House. Some time ago Illinois moved the primary date from April to June. This was done, supporters said, at the time, to cut down on the costs of campaigning. But this apparently did not work as the primary election was moved from June to March.

The Democratic slatemakers are scheduled to begin their

Blankenship and Melvin Wilmsmeyer and Chamber Manager Edward Kellogg. Sixty Illinois communities were represented in talks with 200 physicians, looking for places to establish their practices.

The third of four scheduled report meetings in the current United Fund campaign is set for noon Wednesday at the YMCA.

Daylight saving time is about to make its regular six-month changeover. Clocks at 2 a.m. Sunday, Oct. 31, will be turned back an hour (forward 1 hour on the dial) to 1 a.m.

In a sense, Quad-Cities will be regaining the hour they lost on the last Sunday in April. Daylight time is used in all states except Michigan and Hawaii and parts of Indiana and Arizona.

Governor Ogilvie said Friday bids will be sought about Nov. 16 on \$150 million in state transportation bonds. It will be the first sale under the \$900 million transportation program approved in June. The grand total includes \$600 million for supplemental freeways, \$200 million for mass transit and \$100 million for airports.

The River Bluffs Girl Scout Council annual luncheon is set for noon Wednesday at St. John's United Church of Christ. A coffee hour will begin at 9:30 a.m. and at 10 a.m. a program will be presented by scouts who participated in the council's summer camp.

Members of the St. Louis Area Rapid Transit Authority will meet Friday with Carlos Villareal, administrator of the Urban Mass Transportation Administration, the federal agency that ultimately will be asked to provide two-thirds of the money for a proposed 86-mile rapid transit system.

Miss Donna M. Zumwalt, dismissed June 15, 1970, as Madison County Nursing Home administrator, has filed suit in the Circuit Court to recover \$1,362 in wages which she says is owed to her by the county. She cites the period from Feb. 1 to May 1, 1970.

## Council Meets Tuesday

Because of the Veterans' Day holiday, the Granite City Council will meet at 8 p.m. Tuesday instead of in its customary Monday night session today.

Also on the agenda is a pre-application for acquisition of Horseshoe Lake in Madison County as a state park.

The annual East-West Gateway meeting will be held Nov. 11 at Augustine's restaurant, Belleville.

Aid Children Saturday. Many Quad-City churches will have groups "trick or treat" for the United Nations Children's Fund Saturday from 6 to 8 p.m. Participating churches will obtain their United Nations packets at St. John's United Church of Christ, 2901 Nameoki Road. Proceeds will be used for such purposes as antibiotics to cure trachoma, seed to produce food and vaccine to prevent tuberculosis.

Shooting Was Outside. The fatal shooting of William K. Miles, 24, of 2614 Grand Ave., to which Roger Dale Wallace, 2800 Warren Ave., pleaded innocent in circuit court last week, occurred outside the Sportsman's Club, 10th and Iowa streets, Madison, Sept. 4.

The shooting was incorrectly described last week as occurring in the tavern.

Another matter that will have to be resolved is the branding of the gubernatorial and lieutenant governor candidate together. This will be similar to the way the president and vice-president are branded together.

Lawmakers sooner or later will have to address themselves to this problem.

IT'S ONLY A GAME but the expression on the face of Mike Pedigo, 5-11, 225-pound senior tackle, shows the intensity of the GCHS Warriors' effort to win a Southwestern Conference football game here Saturday afternoon. East St. Louis prevailed 20-7, the Flyers proving to be better mudders than the Granite City squad on the slippery playing field.

## Gateway Council To Name Officers

Directors of the East-West Gateway Coordinating Council will elect officers for the 1972-73 biennium at 3 p.m. Wednesday at 720 Olive St., St. Louis.

Present chairman is St. Louis Mayor A. J. Cervantes and vice-chairman is Francis J. Foley, chairman of the St. Clair County board of supervisors.

St. Louis County Supervisor Lawrence K. Roos will speak on the impact of extending the Inner Belt Highway to serve an Illinois airport, and there will be a report on possible funding sources for an airport environmental study.

The Gateway Council's Regional Forum will submit a recommendation on the governing structure for a new airport.

Also on the agenda is a pre-application for acquisition of Horseshoe Lake in Madison County as a state park.

The annual East-West Gateway meeting will be held Nov. 11 at Augustine's restaurant, Belleville.

## Steel Slump Factor in General Steel Net Loss

General Steel Industries, Inc., had net sales of \$18,928,000 and a net loss of \$884,000, or 39 cents per share of common stock, for the three months ended Sept. 30, compared with net sales of \$22,698,000 and a net loss of \$570,000, or 23 cents per share, in the third quarter of 1970, W. Ashley Gray Jr., president, reported Friday.

The third quarter's results brought GSI's sales for the nine months ended Sept. 30, 1971 to \$83,643,000 and the net loss for that period to \$2,227,000, or 88 cents per share.

In the same period in 1970, GSI had net sales of \$60,963,000 and a net loss of \$169,000, or seven cents per share.

Gray said the earnings of GSI's National Roll Division at Avonmore, Pa., "were adversely affected in the third quarter by the drastic slump in steel production which followed the steel labor settlement."

"The steel industry is the principal user of National Roll's products. It is not expected that there will be more than a modest pickup in steel production before early 1972."

## Armed Robbers Active, Police Seeking Suspect

A lone bandit, who said he was armed robbed the Medicare Pharmacy at American Village Shopping Center of approximately \$300 late Saturday afternoon and a Madison service station attendant was robbed of \$60 at gunpoint Friday night.

In a third instance, two men were captured after one of them was alleged to have attempted to rob a Granite City woman at 9:55 p.m. Saturday.

The robber took the money at the Medicare Pharmacy after holding three employees in a rear stock room at 5:30 p.m. Saturday.

He was described as tall, thin, in his 50's and wearing a head bandage, entered the store, grabbed clerk Linda Millsap, 2457 Center St., by an arm and told her to open the door to the stock room.

She complied and the man entered the room where Manager Tom Diehl, St. Louis, and Becky Reeves, 2446 Delmar Ave., an employee, were counting the day's receipts.

Said He Had Gun

They said the man told them he had a gun and instructed them to stand at the rear of the room while he took the money the manager had been counting. He asked Diehl where the cash box was and Diehl produced the box from a drawer. The man took the money and forced Diehl to throw his wallet into a chair.

The robber told the three employees not to move until they heard the front door close and they complied.

After the man left, Diehl called police who searched the area without results.

An armed robber took about \$80 from an attendant at the Deep Rock Service Station, Fifth Street and McManis Avenue, Madison, at 9:15 p.m. Friday.

The man, described as in his 50's, about 5 feet, 10 inches tall, with gray hair and a lump on his neck, walked into the station and purchased a carton of soft drinks. He displayed a pistol

## Would Donate Land For State Building

A proposal to donate sufficient land at the site of Lakeside Airport for construction of an Illinois state office building has been sent to Governor Richard B. Ogilvie by William Nichols, owner of the Nichols Net and Twine Co. and landholder in the Horseshoe Lake area.

Nichols suggested the new office building be built at Route 111 and State Aid Route 35 as an alternative to proposed East St. Louis location.

He said the site would overlook the proposed Horseshoe Lake State Park and would be equally available to such area points as Alton, Troy, O'Fallon, Maryville, Wood River, Alton and Granite City.

COMPOSITE OF ARMED ROBBER. Police are seeking a robbery suspect resembling this composite drawing prepared by Granite City police from victims of a daylight holdup at Medicare Pharmacy Saturday. He is said to be in his late 50's or about 60, five feet, 11 inches tall to six feet; of slender build, grey hair, wearing glasses and an old hat. He wore a tan trench coat, faded blue work shirt and baggy pants.

## Madison Parents Need Pass To See Teachers in School

New guidelines by which parents of Madison school pupils may confer with their children's teachers were established by the Madison School Board Thursday night on a recommendation by Chester McManaway, board president.

The board approved a new policy which will require all parents to apply at a school office for a pass to see any teacher during school hours, or for a special appointment if the teacher is busy at the time. McManaway urged that the rule be applied to all Madison schools and that it be enforced fully to prevent disruption of class activities.

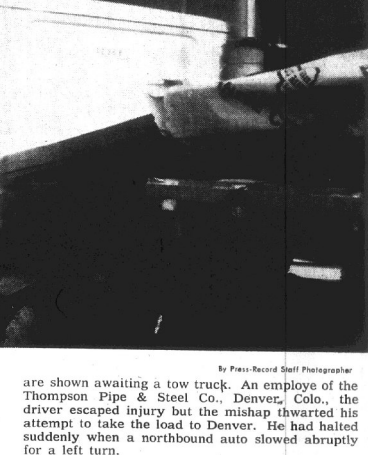

Board members instructed School Superintendent Fred Riddle to notify all parents of the new regulation in letters to be taken home by the pupils.

In outlining the purpose of the rule, McManaway told the board that his recommendation replaced a requirement originally made by teachers at Dunbar School for construction of a fence around the school, employment of a guard and other security measures.

Dunbar teachers, in a meeting with McManaway and Riddle, complained of repeated interference from parents who came to the school, went directly to their children's rooms and harassed the teachers over matters involving their children, McManaway said.

He suggested the new policy be given a trial and "if we see it is necessary we might hire a security guard at Dunbar on a limited basis."

Board members agreed to resume negotiations on new contract terms with the Madison Teachers' Federation during a special meeting tomorrow night. Riddle said he had been notified by the federation of its regret at school board rejection of an \$8,300 basic wage scale and that it wished to resume talks as soon as possible.

A LONG WAY FROM DENVER. Richard Sidebottom, 29, stands next to his truck, which lost its brakes and turning ability Friday afternoon when its newly-acquired load of Granite City Steel Co. culvert steel shifted forward and partly caved in the cab. With him in the middle of Madison Avenue at 18th Street is Patrolman Joseph Kastelic Jr. They are shown awaiting a tow truck. An employee of the Thompson Pipe & Steel Co., Denver, Colo., the driver escaped injury but the mishap thwarted an attempt to take the load to Denver. He had halted suddenly when a northbound auto slowed abruptly for a left turn.

**Park District Classes In Tumbling to Open**

Tumbling and gymnastic classes sponsored by the Granite City Park District will begin Tuesday afternoon at the Nameoki Recreation Center, Amos and Franklin avenues, it was announced by Harold Brown, park superintendent.

Classes for beginning students will be held Tuesday, from 3:30 to 5:30 at the Nameoki Recreation Center and on Wednesday at Niedringhaus School from 4:45 to 5:45 p.m.

Intermediate and advanced pupils will attend classes Tuesday and Thursday at the Nameoki Recreation Center from 6:30 p.m. to 8:30 p.m.

All classes are geared for children in the first through the 12th grades, admission free. Each participant must have the Park District insurance which costs \$1 for a year. Children who purchased insurance for the summer programs will not be obligated to buy insurance again.

Mrs. Clabbe Briggs will be in charge of the weekly classes.

**ACHIEVEMENT HONOR.** Granite City resident, Miss Barbara M. Washenko, 2020 Meridian St., is presented an Army Aviation Systems Command certificate of achievement for outstanding work in the summer employe program. Miss Washenko was assigned as a clerk-stenographer in the office of the comptroller, Leland Springer, comptroller, made the presentation.

**McCarter Unfairly Singling Out Him, SIU—Rendleman**

Dr. John S. Rendleman, president of Southern Illinois University—Southwestern, said Thursday afternoon he would attack "fully and without hesitation" any regulation on expenses established by Gov. Richard B. Ogilvie. Rendleman said he was preplexed that John W. McCarter, director of my accounts with a fine tooth comb, these auditors found the exact opposite of what the director appears to be saying.

"Lybrand Ross found that in every instance my expenditures were entirely proper and fully documented."

"They also affirmed that the expenses I incurred had claimed a reimbursement no different from the reimbursable expenses of administrators at my level, not to mention those of business executives and high officials, in other areas of state government."

"Even before the board of trustees vested the higher responsibilities of the presidency of this institution in me, I articulated the policy that Southern Illinois University as an institution and John Rendleman as a person will abide fully and without hesitation by any regulations that the governor in his wisdom sees fit to put forth."

"The governor has shown his prudent solicitude for the welfare of the university and the protection of the public interest by making appointments to our board of trustees."

"I might conclude with the suggestion that this board is well equipped by virtue of close and continued experience with the complex problems of higher education, particularly in the metro-east area, to set long-range policy in these matters. I am sure they are better qualified for the task than the director of the Bureau of the Budget."

"I am sure that Director McCarter has been privy to the conclusions of a firm of professional auditors of the highest standing, Lybrand Ross Bros. & Montgomery. After examining my accounts with a fine tooth comb, these auditors found the exact opposite of what the director appears to be saying."

"Lybrand Ross found that in every instance my expenditures were entirely proper and fully documented."

I am sure they are better qualified for the task than the director of the Bureau of the Budget."

"The statement issued yesterday by the director of the Illinois Bureau of the Budget is certainly consistent with the attitude he has shown toward the financing of high education over the past several years."

"Although I vehemently disagree with many of the allegations to waste and impudent management that have been bandied about so freely in the public press over that period, there can be no doubt that a policy of stringent economy is now in effect in all areas of fiscal disbursement in the university system."

"However, I am perplexed — and I strongly suspect that the public is, too — that the director has so consistently singled me out for criticism of my expense accounting practices. He has implied on several occasions that they are inconsistent with generally accepted standards."

"The emphatic character of his assertion has led some people to conclude that my integrity has been attacked. If that is the director's intent, I strongly resent such an implication," the president said in a statement.

**Two Injured as Car Hits Utility Pole**

Two residents of 2549 Adams St. were admitted to St. Elizabeth Hospital at 12:10 a.m. Saturday after being hurt in an auto crash.

Earl Dowdy, 12, knocked unconscious, and John Faulkner, 21, with a scalp puncture wound, both were placed under observation for possible head injuries. Faulkner also had right knee and right arm injuries.

They were injured when a car driven by Faulkner struck a utility pole at Benton Avenue and 27th Street, police reported. Faulkner told police his brakes failed as he started to make a left turn off Benton onto 27th Street. The utility pole was broken.

**Pontoon Road Mishap**

A car driven by Janet Patterson, Wood River, eastbound on Pontoon Road, struck a utility pole at 1:30 a.m. Saturday at Ridge Street. The driver told police she swerved to avoid another auto and lost control of her car, driving through a garage parking lot before hitting the pole.

**Young People's Mental, Physical Well-Being Goal of Area United Fund Agencies**

Young peoples' . . . 616 . . . Approximately 10,000, or 40% of the people served by the Tri-Cities Area United Fund are healthy, well-adjusted youth.

The goal of several United Fund agencies in the Tri-Cities Area United Fund are healthy, well-adjusted youth.

The goal of several United Fund agencies in the Tri-Cities Area United Fund are healthy, well-adjusted youth.

Scouting is not just a pastime activity. The program is a tremendous aid for boys from ages 8 through 21 in character building and physical fitness. Teen participation in scouting is also high—480 scouts over age 16.

The council develops programs in areas the boys request. This past year there has been emphasis on ecology. Last summer Scouts organized an ecology parade and gathered clothing for the Indians.

In addition, the council supervises training for 2,000 adult leaders and maintains trails and campsgrounds.

Last summer at Camp Sunn near Potosi, Mo., 600 boys participated in canoeing, swimming, camping, archery, and trap-shooting.

Both Boy Scouts and Girl Scouts include youth from all segments of the population.

"The recognition that scouting can provide expanding experiences in which all girls of any income level can participate have taken Girl Scouts out of this middle-range status," said River Bluffs Council executive director Verle W. Kins.

Unusual Programs

Mr. Kins referred in particular to two of last summer's programs that provided out-of-the-ordinary experiences for a number of Tri-Cities girls: the 10-day Whorlen, Wyo., camping trip, and the European hosting excursion.

"Providing these 'runways' to wider opportunities is the basic goal of Girl Scouts," said Mr. Kins. "We try to see that the girl gets an expanded experience in career choices, travel, life, leadership, and community involvement."

At the heart of almost any community but especially in the Tri-Cities, is the YMCA because of the range of opportunities and facilities it offers for any age and time in life. To the young it is a very special place.

"The YMCA is a meeting place for all youth. I think we especially offer an alternative to the kid on the fence," said YMCA Executive Director Marvin Van Metre.

"I mean, when his friends ask him to go along on a shop-lifting expedition and he really doesn't want to, we provide an option. The kid can say he'd rather go and shoot baskets with the gang at the Y."

Through United Fund support, youth memberships are available to all young people at one-third to one-half of the actual membership cost so that all youths may participate in Y activities.

Funds for Youth Programs

"United Fund money is used only for youth programs. The actual membership costs are geared to cover the total cost of their particular programs—like the health clubs and educational programs," said Mr. Van Metre.

The physical and educational facilities and resources of the Y include art, Indian Guides, soccer, basketball, swimming, Tri-Hi-Y, Teen Town, and judo. The Y also has pool tables, lounge facilities, weight-lifting rooms and living quarters—all under one roof.

"It's a wholesome place for kids to go," said Mr. Van Metre.

Another recreational facility for youths in the Tri-Cities is Madison Teen Town. Under the supervision of John Kopchak, teens have a place to go and plan activities. United Fund allocations again permit costs to remain low enough so that any teen can participate.

**4 Youths Face Conduct And Traffic Charges**

Four youths were arrested on traffic law charges in conduct charges Friday night and early Saturday morning at Victory Drive and Nameoki Road.

Police said they arrested Roger Whitworth, 19, of 2909 Buxton Ave., Burl Tomlinson, 17, of 3712 Pontoon Road, and Gary White, 19, of 2909 Buxton Ave. at 9 p.m. Friday in violation of disorderly conduct charges. Presey was charged with illegal transportation of liquor and careless driving and Tomlinson and Whitworth were charged with illegal possession of liquor.

At 12:30 a.m. Saturday, officers picked up Darrell G. Willis, 20, also at Victory Drive and Nameoki Road, on a charge of reckless driving. Willis lives at 2701 Marshall Ave.

## Petitions Ask Priority For Overpass Project

A petition seeking priority for construction of an overpass to link West Granite and Granite City under a bill sponsored in Congress by Congressman Melvin Price (D-East St. Louis) has been placed in circulation by John S. Grill Sr., 2707 West 22nd St.

The petition is directed to the Congress and asks that Congress's bill to eliminate certain rail grade crossings in Illinois be passed, and that a priority for the Granite City overpass be included in the legislation.

The project should be designated as the West 22nd Street Overpass, the petition states.

## Hardware Shop Burglary

Burglars broke into O'Dell's Hardware and Plumbing Store, 100 State St., Venice, between 11:30 p.m. Saturday and 12:25 a.m. Sunday. Venice police noticed a window broken on the Market street side of the store. Candy, cakes, gum and 16 cartons of cigarettes were taken.

## Brothers Overseas Are Among Local Men Listed

Quad-City military personnel serving in such widely separated areas as Thailand and Alaska, Germany and Vietnam are among those listed in today's 'Yule Mail Call.'

Two brothers, Robert E. Humphreys and Private First Class Frank D. Humphreys, are included on the pre-Christmas mailing list. One is serving on the USS Juneau in Southeast Asia, the other with a rehabilitation team near Aushab, Germany.

Area local youth, Specialist 4 Leroy D. Wood, son of Mr. and Mrs. David L. Wood, 2708 Harvey Place, Apt. 10, is working in a personnel section at the 97th General Hospital at Frankfurt, Germany, and two Quad-Cityans, Sergeant Stuart W. Jones and Airman L.C. Larry W. Sellers, are stationed with U. S. Forces in Thailand.

All will be overseas at Christmas-time and eager to receive greeting cards, letters and remembrances from those at home.

Area residents wishing to submit the name and address of

Quad-City servicemen, stationed at home or overseas, are urged to do so immediately.

Those contributing the name, rank, serial number and full address of a soldier, sailor, coast guardsman, marine or airman are asked to write the details on a slip of paper of postal card and a mail or bring the information to the Press-Record, 1815 Delmar Ave.

The APO and FPO numbers must be included when applicable. If the area of service is noted, the information will appear in parenthesis following the mailing address.

Individuals, relatives, friends, church groups and service organizations are invited to submit the names and addresses of Armed Forces members to be published as they are received through Christmas week.

It is suggested that readers clip and retain the lists as they appear. Since the pre-Yuletide service was inaugurated five years ago, more than 2,500 names of local servicemen have been published prior to the holiday season.

## Pontoon Board Appoints New Village Clerk

Mrs. Richard (Dorothy) Simpson, 3 Victoria Drive, was appointed village clerk of Pontoon Beach by a vote of the members of the seven-member village board in a recessed meeting Thursday night.

One member of the board, Fred Reecer, abstained from voting. Mrs. Simpson was selected from among four candidates who sought the position, replacing Mrs. Katherine Bledsoe who resigned because she plans to move from the village.

Thomas Staicoff, village board president, commented, "Mrs. Simpson is a non-partisan person and we want this post to be non-partisan."

The long-standing dispute over drainage in Lakeview Estates, between Victoria and Fountainview Drive, broke into a verbal disagreement between Dave Moss, health inspector, and Dr. Dean Rochester, board member. Rochester called for a five-minute recess during which the two men discussed their differences outside and returned smiling.

**Controversial Issue**  
The issue of whether or not the area should be drained was settled last month but the issue of whether an underground or surface "swail" type system should be used remains a point of controversy.

Rochester supports the surface system while Moss claims to be uncommitted to either system. A survey conducted by the Sheppard, Morgan & Schwab engineering firm two weeks ago recommended the surface drainage system as the most feasible financially.

At Thursday's meeting, the village board elected to call for bids on both an underground and a swail system and to make the choice after actual cost figures were submitted on each.

## Debra Jean Casleton Bride of Jon K. Heil

Miss Debra Jean Casleton, daughter of Mr. and Mrs. George Casleton, 2715 Marshall Ave., and Jon Keith Heil, whose parents are Mr. and Mrs. Gomer Heil, 2521 Center St., were united in marriage Saturday evening at the Third Baptist Church.

The Rev. Carl Watkins presided at the organ for David T. Richardson who sang, "All My Life" and "Wedding Prayer."

For her wedding the bride chose a gown of pure white Chantilly lace featuring a semi-Empire waistline encircled with tiny seed pearls. The bodice had a high scalloped neckline and baby doll sleeves. The A-line silhouette skirt was gathered in the back to form a chapel length train.

A half crown of seed pearls held in place a four-tiered shoulder length veil of bridal illusion and the bride held a teardrop bouquet of white carnations centered with a detachable corsage of yellow carnations.

The bride's parents were host at a reception given immediately after the ceremony in the Fellowship Hall of the church.

After a wedding trip to the Ozarks the newlyweds will reside in Granite City.

Both young people graduated from Granite City High School in 1970. The former Miss Casleton is employed as a dental assistant in the office of Dr. C. Schmitt and her husband is a Granite City Steel employee.

Two residents of Kirkpatrick Homes were enrolled as new members of the Kirkpatrick Homes Community Club during a meeting Thursday afternoon in the recreation hall. They are Mrs. Jean Harsh and Mrs. Judy Hutchinson.

Mrs. Judy Free, president, welcomed the new members and two guests, Melvin Poole and Mrs. Mary Ann Walker, at a potluck luncheon preceding the business meeting.

The club discussed plans for a Halloween party to be sponsored by the housing authority Thursday in the recreation hall, starting at 6:30 p.m. All children are to arrive in costume and club members will assist at the affair.

The next meeting will be on Nov. 4 at 1:30 p.m.

## VACATIONISTS HOME FROM MEXICO

Mr. and Mrs. Gerald Hall, 2561 E. 41st Ave., returned home Thursday night from Acapulco, Mexico, after attending a sales meeting of the Van Camp Seafood Division of the Ralston Purina Co.

Mr. Hall is an account executive for the D'Arcy-MacManus Co., St. Louis. They arrived in Mexico on Oct. 15 for the joint business and vacation trip.

## 'Player' Topic Of Ruth Class

New plans of class organization of the Ruth Class of Third Baptist Church was presented by Mrs. Julia Carmack and discussed by the members at a meeting last week in the home of Mrs. Mildred Popichak, 2341 Orville Ave.

Following the discussion officers were appointed by Mrs. Carmack, teacher. They include Mrs. Thelma Peterson, Outreach leader; Mrs. Helen Green, secretary-treasurer; and group leaders, Mesdames Dorothy Born, Nellie Moske, Delma Elmore, Julia McLean, Ivan Graklanoff and Zawandafay Smolich.

The hostess opened the meeting with Mrs. McLean giving the prayer. Devotions on the topic of "Prayer" was presented by Mrs. Carmack. Mrs. Peterson outlined plans for the coming year and led a discussion on the forthcoming Christmas party.

Prizes were awarded to Mrs. Nellie Moske, Mrs. Helen Green and Mrs. Jerry Shuman, a former member visiting here from her home in Utah. The November meeting will be with Mrs. Smolich.

## Eight and Forty Aids Projects

Mrs. Frances Cowley and Miss Dorothy Hinson, representing the Quad-City area, attended a meeting of Madison County Salon 53, Eight and Forty, in Alton last week. Chapeau Esther Kreuter of Edwardsville presided.

A donation was made to the National Chapeau's Project for National Jewish Hospital in Denver, Colo., and each member contributed \$1 for the Nurses Scholarship program in lieu of the annual birthday party and exchange of gifts.

Miss Hulda Reithmeier, Pouvoir member, reported on the fall Pouvoir held in Edwardsville. Madison County Salon received an award for participating in all phases of the Children and Youth Program this year.

A prize for the evening was won by Mrs. Ann Albrecht. Hostesses were Mrs. Jean Cummings, Mrs. Mildred Jacoby and Mrs. Bertha Hite. The next meeting will be held at Venice-Madison Post Home on Nov. 16.

## LOUIS SUCICH TOUR ROCKET CENTER

Mr. and Mrs. Louis Sucich of Granite City visited the Alabama Space and Rocket Center in Huntsville, Ala. while on vacation.

They toured the many educational exhibits pertaining to rocketry and space travel, had a lunch of "space food" and fired a rocket engine.

## Sloppy Field, Flyers Thwart Warriors, 20-7

By STEVE BURDGE  
GCHS Football Writer

Playing on their home gridiron Saturday afternoon, the Granite City High School Warriors suffered their second Southwestern Conference setback, bowing to the East St. Louis football Flyers 20-7.

GCHS is now 0-2-1 in the conference and 3-2-1 overall, while East St. Louis leads the Southwestern loop with three wins in as many starts and has a 6-0 season mark.

Belleville West is 1-0 and 6-0; Collinsville 2-1 and 4-1-1; Alton 1-1 and 4-1-1 and Edwardsville 0-1 and 2-4.

The sloppy field on which Saturday's game was played did not slow down the Flyers' attack of Halfback Cortez Ward and Fullback Floyd Cobb. The two athletes accounted for all three East St. Louis touchdowns.

The Granite City defense was being put to the test during most of the afternoon as the Flyers dominated almost all of the game.

The Warriors' offense again had trouble getting started and was able to sustain only one scoring drive.

At first, it looked as if the game was going to be one full of turnovers. GCHS fumbled and then intercepted an East St. Louis pass.

Jeff Worthen, starting an enemy aerial to halt a flyer drive on the GCHS 33.

But after that, both teams held onto the ball despite the slippery conditions.

Late in the first quarter, a bad snap from center on a punt enabled the Flyers to gain possession on the Warrior 25-yard line. Three running plays and a fourth-down pass from Vredell Jones to Russell Hodges advanced the line of scrimmage to the ten, and then Ward rambled across the goal. At Toliver kicked the extra point for a 7-0 lead.

After a Warrior drive was halted by the Flyers 37 yards from paydirt, it took East St. Louis only four plays to move

the ball 63 yards early in the second quarter.

Jones ran for 23 yards and Cobb concluded the last march with a 15-yard scamper for a touchdown. When Toliver delivered another point-after-TD placement kick, the score stood at 14-0.

It began to look as though the Flyers would run away with the game by a substantial margin. End Hodges ran 47 yards with a screen pass for what would have been the third flyer TD. But a clipping penalty nullified the play and the half ended without further scoring.

**Coach Wayne Williams'** Warriors came out fired up in the second half and moved 60 yards in 12 plays for a touchdown on their first possession.

In this drive, Halfback Stan Stajduhar—5-11, 172-pound senior who was leading this region with 285 yards and 129 carries prior to the game—picked up 28 yards on the ground and also ran 11 yards with a screen pass.

A seven-yard TD by Stajduhar climaxed the drive. Joe Wallace kicked the seventh Granite City point. Taking the ensuing kickoff, East St. Louis added to its 14-7 lead with a 62-yard TD advance that required only three plays.

The drive was highlighted by a 56-yard pass play from Quarterback Jones to End George Slack. The aerial was thrown against a stiff wind.

Left Halfback Ward, a 213-pound senior, scored the six-point drive with a 14-yard TD. A pass for a possible two-point play failed and the score remained 20-7 in the third quarter.

It was destined to stay that way as the Warrior defense, in effectiveness but the home offense remained largely stalled.

GCHS travels next at 8 p.m. Friday to Edwardsville.

### HEARING TESTS SET FOR GRANITE CITY AREA

Electronics hearing tests will be given at Scotty's Jewelry Shop every Wednesday during October from 10:00 A. M. to 12:00 P. M. and 3:30 P. M. to 5:15 P. M. Hearing Aid Audiologists will be at our Service Center, listed below, to perform the tests.

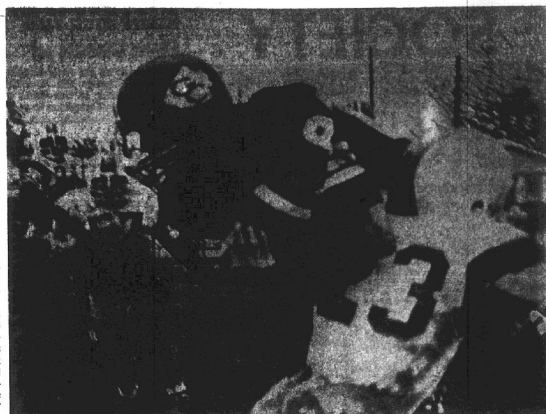

Anyone who has trouble hearing or understanding is welcome to come in for a test using the latest electronic equipment to determine his or her particular loss.

Diagrams showing how the ear works and some of the causes of hearing loss will be available. Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out about the latest methods of hearing correction.

The free hearing test will be held every Wednesday during October from 10:00 A. M. to 12:00 P. M. and 3:30 P. M. to 5:15 P. M. at:

### Vrenick Bowls 8th 300 Game

A 300 game—his eighth in a long bowling career—was rolled by Jim Vrenick, 3000 Indiana Ave., during his first game of Major Handicap League activity at Bowland Friday night.

Vrenick, who bowls in three leagues, was rolling with the Francis Agency team at the time he pined up the 12 consecutive strikes.

It was his third perfect game in league-sanctioned play. He rolled five other 300 games during exhibition and open practice play.

His last 300 games was scored Oct. 29, 1970. In 1958, he was national doubles champion of the American Bowling Congress, teamed with Dick Weber.

## It wasn't built in a day.

1949 Two small, strange-looking Beetles are sold in the U.S.A. For fewer than the big, beautiful De Sotos, Studebakers, and Hudsons which sold that year like hotcakes. 1950 Hotcakes weren't selling as well this year. As the Beetles remained small and strange-looking while refinements were made on the brakes and heating system. 1951 Vent flaps didn't make the front quarter body any prettier. 1952 The idea was still the same: stay the same. And except for work on the transmission, vent windows, window cranks, heating controls, and the turn signals, we did. 1953 The year of our radical styling change. The rear window was enlarged. 1954 Horsepower increased over 20%. Sales increased over 600%. 1955 By now we had improved and refitted our idea more than 500 times. It didn't show a bit. 1956 For many, this was the year of the beetle. For us, this was the year of the beetle. It didn't show a bit. 1957 Nobody noticed that our front heater outlets were moved back for better heat distribution as most of the people centered around the introduction of the Edsel. 1958 Tailfins were getting even longer. So was our list of improvements. 1959 Our frame was reinforced for greater strength and durability. Greater than what? Greater than our '58. 1960 The long tailfins were being removed. Our chrome tail pipes and overdrive "bowls" remained. 1961 16 major improvements. Including an increase in our engine's cooling capacity and our horsepower. 1962 10 major improvements. Including reinforced

clutch springs and maintenance-free handbrake cables. 1963 Fresh air heating and nylon window guides and leatherette headliners and adjustable rear heater outlets were introduced. 1964 Close to 1300 improvements had now been put in. In such a little car, was there any more room for improvement? 1965 10 major improvements. And innumerable (well, actually, 11) minor improvements. 1966 Maintenance interval extended to 6,000 miles. It took 6,000 miles but now you could see the results of all those improvements. 1967 1017 dealers were now selling our car. For us, that was very nice indeed. For someone who needed repairs or parts in an out-of-the-way place, it was even nicer. 1968 Finally, an automatic stick-shift for the Beetle. The fact that it got about 25 miles to a gallon made up a bit for the fact that it took. 1969 We introduced a rear window defogger and defroster. Put a tread wear indicator on our tires. Added a steering wheel locking device. Overdrive. Stronger looking pretty much the same. 1970 Medi-car, our Diagnostic System was introduced. To make one of the longest running models longer running. 1971 The year of our first Beetle. Nearly twice as much truck space, an engine twice as powerful as our '53, and a new suspension system for a smoother ride. 1972 SUPER BEETLE After 24 years, more than 2,000 improvements. In this year, 22 more improvements on the Super Beetle. To all these people now venturing out on small car makers, we offer this friendly warning: There's no such thing as an overnight success.

## Chris Carenza Uses His Head as Soccer Cougars Blank Quincy, 1-0

Quincy — Coach Bob Guelker said before the season started that his Southern Illinois University — Southwest soccer team had a simple plan for each of its 10 games. "We'll apply the pressure from the opening whistle and keep it up without let-up through the entire 88 minutes of play. Sooner or later our opponents will make that one mistake which will beat them."

That's what happened Saturday afternoon as SIU-SW met the Quincy College Hawks in a showdown battle for positions in the national collegiate rankings and a possible shot at post-season tournament bids. Quincy was ranked sixth and SIU-SW eighth last week.

The Cougars beat the Hawks of Jack Mackenzie, 1-0, on a power goal engineered by the Carenza brothers 13 minutes into the fourth period.

Big John Carenza, leading scorer this season with 10 goals and three assists, took a pass from Tom Twellman and fed the ball to Chris Carenza right at the tip of the Quincy goal. Chris "headed" the ball in to beat the Hawks.

Weiss, a St. Louis Rosary High grad, was brilliant, making 12 almost impossible saves as the Cougars blanked Quincy. Quincy goal with 37 shots compared to only 12 taken by the Hawks.

Weiss' saves on three shots — one by John "Dino" Denowski, one by John Carenza and another by Tommie Howe — were seen as amazing feats. He beat out an all-American transfer from Wyoming U., senior Ray Remstad, and started in goal for Quincy last week as the Hawks lost to St. Louis U., 2-0.

The victory, which according to the Cougar players was helped by the 500 or more loyal SIU-SW students who drove to the river city to cheer for their favorites, upped the Cougars' unbeaten record to 6-1 and dropped Quincy to 6-2.

This week, SIU-SW will play Jacksonville U. Thursday at 4 p.m. and the University of Wisconsin — Kenosha Saturday at 1:30 p.m., both at Quincy College. The offensive-minded defense unit, headed by goalie Rick Benben, was the key to the victory.

Playing in front of Benben, who was called on to make only four routine saves, is the "fantastic five," left halfback Kevin Howe, right halfback Rick Benben, center halfback Vince Fassi, left halfback Dennis Droll and right halfback Tom Galati.

Not only is the "fantastic five" making Benben's job easy, the quintet is becoming

an integral part of the Cougars' offense. Galati, for example, was credited with five shots on goal. The sturdy built Galati, however, is equally at home on the offense as on the defense and could well end up as the Cougars' striker in two years, when he will be a senior.

The "fantastic five" held Quincy to 12 shots, almost half of the Hawks' 23-a-game average prior to their meeting with the Cougars. The Hawks had ripped Cleveland State 4-2, the Air Force Academy 2-1, Wheaton College 1-0, the University of Wisconsin 4-2 and Eastern Illinois 2-1 before losing to the St. Louis Bills last week.

Only St. Louis U. had held the Hawks to less shots on goal than the Cougars, seven. SIU-SW meets the Bills Saturday, Nov. 6, at Musial Field in St. Louis.

The first half of the bitterly contested battle was largely a testing-out procedure by both teams as

they tried to get used to the muddy playing surface of the field.

But it appeared that Quincy's game plan was to hold SIU-SW without a goal and settle for a 0-0 deadlock. In fact, shots-on-goal figures were nearly equal — SIU-SW six and Quincy four — in the first 22 minutes of play.

From then on, the Cougars upped their pace dramatically. In the second period it was 8-1, in the third, 14-3, and in the final, 9-4. Meanwhile, the 500 SIU-SW rooters on hand were making as much noise as the 5,000 Quincy homecoming fans.

To a man, the mud-spattered Cougar kickers said as they boarded the bus after the game: "Tell those Cougar fans we appreciated their support."

Added Dino Denowski: "That kind of support is worth at least one goal."

At least all it took, it turned out.

## GC's Bryant First in League Cross-Country

Hard-running Warrior Hoss Bryant took first place in the Northwestern Conference cross-country meet held at Rock Springs Park in Alton Saturday, Nov. 5, in the 5-mile race.

Bryant won the three-mile course and setting a new record of 15:48.

Alton was successful in defending its conference title, winning the meet with 20 points. The Warriors finished fourth, with 105 points.

Collinsville came in second, with 79 points; Edwardsville, third, 87; Belleville West, fifth, 109; and East St. Louis sixth, 118.

Other Warriors finishing in the field of 42 varsity runners were Mike Adams, 7th, 16:19; Bruce Barger, 31st, 17:51; Richard Paschdag, 32nd, 17:57; Mark Ortiz, 34th, 18:12; Pat Olson, 36th, 18:15; and Tim Sheridan, 38th, 18:24.

Alton also won the sophomore meet with 15 points, Belleville West second, 49; Granite City, third, 78; Edwardsville, 4th, 91; and Collinsville, 5th, 116. East St. Louis did not run in the sophomore contest.

Finishing for GC's were Sophomores Jeff Schleicher, 8th, 17:37; Chris Lewis, 12th, 17:54; Dale Livingston, 13th, 17:54; Paul Brewer, 14th, 18:00; Bill Grady, 32nd, 20:24; and Gerald Slavins, 38th, 20:25.

"We had a good run by Bryant and Adams on the varsity level but we need more depth," Warrior Coach Dick Harmon said.

The Warriors will run again Tuesday at Alton at 4:30 p.m. in the annual district meet against a field of 14 schools.

Alton also won the sophomore meet with 15 points, Belleville West second, 49; Granite City, third, 78; Edwardsville, 4th, 91; and Collinsville, 5th, 116. East St. Louis did not run in the sophomore contest.

3-Way Tie Remains

In Football League

A three-way tie for the lead in the American League of East St. Louis YMCA flag football did not change Saturday as all three teams recorded victories.

Boshkoff's Tavern of Madison earned a 12-0 win over the Eagles of Belleville while Victory Tavern earned a decisive 20-0 win over Horseshoe Lake Tavern.

Boshkoff's Bums won on two touchdowns passes by Joe Grobowski, one to Roger Belshe and the other to Joe Fanning.

The teams remain tied with the Belleville Bombers for the lead.

The Bums will meet the Gypsies at 11 a.m. Saturday while Victory plays Wild Goose at 12:30 p.m. Saturday.

Soccer Sophomores

Drop 5-1 Decision

The GC's sophomore soccer squad dropped a game at St. Louis Prep Seminary Thursday afternoon, 5-1.

Coach John Sellmeyer said the sophomores were not experienced and the game marked the first time they had played together. "Our opponents were pretty tough, our varsity players said they would like to play these kids."

At 4 p.m. today the undefeated Warrior varsity squad will meet Whitfield of St. Louis County at Wilson Park. The odds favor Granite City, as Whitfield lost to Waterloo High 2-0 last week and Gibraltar fell to the Warriors 8-2 here Oct. 5.

As this is the first organizational meeting of the coming season, all managers who wish to have teams in the program are being urged to attend.

## Dedicate Religious Center as Link To World Unity, Faith, Service

R. Buckminster Fuller said Friday in a dedication address that the 40-foot diameter, three-quarter-sphere domed Religious Center he designed for the Southern Illinois University-Southwestern campus "is a transparent miniature earth symmetrically astride the true planet earth's 90th Western Meridian of longitude — the great circle mainstreet of our one-world world."

Entitling his talk "Go In To Go Out," the architect-philosopher said that the transparent blue oceans and the earth's continents are accurately outlined on the ceiling-roof of the Religious Center "as they would be seen by x-ray if one descended by elevator from SIU-SW to the center of the real earth."

The Religious Center's dome is a true planetarium, Fuller said, because at night "looking outwardly at the true stars through the dome's transparent shell

any stars seen at any location on any of the continents or oceans are at that moment exactly in zenith over those very geographical points on the real Earth."

"A sense of exact orientation of each human individual within the profound magnificence of universe is provided by the Religious Center's miniature earth," he said.

"One goes inside to go outside one's self and into the center of the earth and thence outward to the stars in a split second of time."

The 90th meridian is uniquely the mainstreet of the new north-south sky-ocean world which has replaced the east-west water-ocean world, Fuller concluded.

"One looks north along the 90th meridian," he said, "over the pole to two-thirds of all humanity in Russia and the Orient."

"Let airplanes have brought the world closer together in the great circle routes, replacing long ship voyages which kept peoples apart."

"The 90th meridian's north and south broad sky-way obsolesces the ages-long east-west travel."

"It is the world's prime artery of tomorrow — inherently integrating humanity even as humanity was heretofore mutually remote and inherently divided against itself by the oceans."

Furthermore, Fuller said, the "90th meridian is central to the north-south trans-Arctic electric energy network integration of the world's people and their continents, at first via the Berlin Straits and later by Arctic ocean-bottom cables."

The safe distribution of large quantities of energy via underground electrical networks "around our earth planet will be a major factor in permitting every living being and all generations of them to come to mutually enjoy all the Earth without depleting and despoiling resources and without any human's profiting at the expense of others," Fuller said.

Fuller quoted Einstein's reference to Kepler's faith in the orderliness of universe and concluded by saying that this "inadvertently revealed Einstein's own faith and that of billions before him in the integrity of universe."

"This integrity of universe has ever inspired humans to commit themselves in all-out love, hopeful thereby of increasing human understanding of the 'a priori' mystery of the eternal integrity," Fuller said.

## One of Hostages After Robbery Released Here

The Quad-Cities became involved in the continuing search for a wounded St. Louis robbery suspect at 4:30 p.m. Thursday when he forced a hostage, James A. Lucas, 47, St. Louis, to drive him toward the Interstate 270 bridge and then into this area. The gunman had a bullet wound in the left arm and could not drive himself.

Lucas, earlier held at gunpoint along with his wife and their two children, was released on the levee road about 6:15 p.m. Thursday. He walked to a service station at Illinois Highway Three and the West Chain of Rocks Road, Mitchell, from where he telephoned the Madison County sheriff's department at 7 p.m.

The suspect apparently has taken a series of hostages since the Cass Federal Savings & Loan Association, St. Louis, was robbed of \$10,000 by two men Thursday afternoon.

He was driving Lucas' blue auto when he left Mitchell and since Saturday morning has been reported as in another hostage's red auto. Today, the search was continuing in the Missouri waterworks area immediately west of the Madison-owned Chain of Rocks Bridge.

### CUB SCOUT PACK 46 INDUCTS 26 BOBACATS

Cub Pack 46, sponsored by the Nameoki PTA, at its monthly meeting last week spotlighted the theme "Fire Detectives" and inducted 26 new bobcats.

Bernard Miller, committee chairman, welcomed the 150 attending. Webelos Den Two, led by Russ Chappell, was in charge of seating arrangements.

Den Four, Mrs. Sharon Rogers, opened the meeting with a song, "Smoky the Bear." Miller introduced den mothers and committee members.

Plays were given by Den Four, "Smoky the Bear and Fire Prevention"; Den Five, Mrs. Frances Finley, "Phantom of the Firehouse"; and Den Six, Mrs. Pat Heatherly, demonstration on fire safety and prevention.

Den Two supervised a game, "Fireman Save My Child," participated in by all dens. The "cubby award" was presented to Den Five, with 87% of parents and cubs present. Miller announced that the committee will meet Nov. 9 at 7:30 p.m. at the home of Robert Moske, 2384 Boyle Ave.

The cubmaster and Advancement Chairman Marvin Sipole conducted a candlelight induction ceremony of the new bobcats, Donald Ozier, Dennis Partney, Wally Bryjak, Tom Longos, Tod Webb, David Nichols, Todd Brameyer, Eugene Smith, Timmy Cavins, Robbie Chapman, Timothy Byrd, Ricky Keel, Brian Corey, Mike Tackett, Martin Rose, David Apperson, Brian Arnold, James Holt, Randy Harmon, Craig Selph, David Harkey, Daniel Beedie, Mark Finch and Thurman Poloski.

Two scouts who have transferred into the pack are Donald Pieper and Richard Lincoln. Den mother uniform patches were presented to Mrs. Judy Ozier, Mrs. Dewey Smith, Mrs. Dolores Rose and Mrs. Alice Selph. Year pins were awarded to Mrs. Pat Heatherly and Mrs. Helen Miller received her two-year pin.

Cubs presented "touchdown for boypower" recruiting badges were John Davis, Stephen Mathis, Tim Mih, Glen Finley, Mike Heatherly and Donnie Rodgers.

Other awards went to Philip Beljanski, silver arrows; Gary Sipole, silver arrow; Doug Mayer, gold badge and gold arrow; Stephen Mathis, silver arrow; and Richard Lincoln and Mike Lybarger, bear books.

Year service stars were presented to Philip Beljanski, Greg Mulach, John Kafalas, Donnie Rogers, Doug Nowak, Tony Littlefield, Mike Lybarger, Scott Keeton, Mike Heatherly and Douglas Mayer; two-year stars were given to John Selph and Billy Kafalas.

Den Five, led by Mrs. Finley, closed the meeting by singing "Goodnight Cub Scouts." Refreshments were served by the mothers of Den Six.

### Funeral of Mrs. Anna Hooley, 90, at Shipman

Funeral services were held Friday at St. Denis Catholic Church, Shipman, for Mrs. Anna Hooley, 90, who died Oct. 20 at the Yaw Nursing Home, Odessa.

Born in Shipman, she lived there prior to her marriage to William Hooley, who died in 1962. She had lived most of her married life in Granite City. Her only survivors are nephews and nieces.

### Car Hits Fence

The car of Harold McCauley Jr., 1015 Second St., Venice, went out of control on Second Street near Broadway in Venice at 8:40 p.m. Saturday and struck a fence at the home of Harry Clifton, 200 Broadway. The front end of McCauley's car was demolished. He complained of pain to one of his legs but declined hospital treatment.

### Youth in Accident

A 16-year-old Venice boy was charged with driving without a driver's license after his car collided with the car of Charles H. Washington, Washington Park, at 8:45 p.m. Saturday.

### Apartment Ransacked

Vandals ransacked the apartment of Ann Madison, 1303 Kirkpatrick Homes, threw eggs on the floor and overturned furniture, the owner told police at 1 p.m. Saturday.

### Furniture Stolen

Dennis Henderson, 1730 Market St., Madison, told police yesterday that furniture, valued at \$677, had been taken from his home between Tuesday and Friday.

## Jap Hall, 64, Employee Of Laclede Steel, Dies

Jap Hall, 64, of 1231 Bissell St., Venice, suffered an apparent heart attack in his home and was pronounced dead upon being taken to St. Elizabeth Hospital Friday.

A Laclede Steel Co. employee, he is survived by his wife, Pearl; two stepdaughters, Mrs. Patricia Fields of East St. Louis and Mrs. Jerome Hughes of Venice; and seven stepsons, Herman, Harold, Hayward, Harvey, Herbert, Hayes and Horace Wright, all of Venice.

The funeral will be at 8 p.m. Tuesday at the New Salem Baptist Church, Venice.

### Dr. I.M. Arkin to Speak in Lecture Series Here

The public has been invited to a series of talks to be presented by Dr. I. M. Arkin, Ph.D. Dr. Arkin, professor in the school of Theology of St. Louis University, is widely known for his popular presentation to parish groups in the St. Louis area. The topics for the series will include: The Bible: Fact or Fiction? Parable of Jesus, and The Church in the New Testament.

A question and answer period will follow the lecture. The talks will be presented on four consecutive Tuesdays beginning tomorrow at 8 p.m. The other three lectures will be held Nov. 2, 9 and 16. The series will be held in St. Joseph's church basement, 2100 State St. A donation of \$2 per person will cover the series, or 50 cents per lecture. Refreshments will be served.

## Eight Scout 'Oscars' to Be Awarded at Dinner

Eight local Scout leaders will be presented the Scout Oscar Thursday at the Uniwah (Quad-City) District, Boy Scouts of America, annual dinner beginning at 6:30 p.m. at the Central Christian Church, 2020 Pontoon Road.

A special committee reviews the accomplishments of the 885 adult leaders in the area. A minimum of five years continuous service to Scouting is a basic requirement. The names of the recipients are not made public until the awards are presented.

Leo Konzen, district chairman of the Uniwah District, will serve as master-of-ceremonies.

Richard Foote Jr., 33, senior patrol leader of Boy Scout Troop 14, will conduct the opening ceremony, followed by invocation led by Dr. Jim Ambis, pastor of Central Christian Church.

### To Serve Dinner

Ladies of the church will serve dinner to the 200 Scout leaders expected to attend.

Units earning camping awards will be recognized by Dave Parish, district camping chairman.

Floyd Jordan, training chairman, will present the various training awards earned during the year. John Pekarik, district activities chairman, will present unit activity awards.

A major item of business will be the installation of new district officers. Dave Fox, a member of the Council Executive Board, will be the installation officer.

Three short presentations on Scouting will be made. Mrs. Ann Sheppard, den mother in Pack 19, which is sponsored by the Washington School PTA, will talk on Cub Scouting.

Reg. Mennerick, institutional representative for the local Old Fellows Lodge that sponsors Boy Scout Troop 35, will speak on the Boy Scout program.

The Explorer program will be discussed by Ray Gaudette Sr., adult advisor to Explorer Post 96, sponsored by the Maryville PTA. Gaudette also is advisor to the Cahokia Lodge, Order of the Arrow.

G. Rollin Henn, immediate past president of the Cahokia Mound Council, B.S.A., will present the coveted "Oscars" at the conclusion of the meeting.

Kevin Kerns, 15, a member of the Explorer Post 104, sponsored by the Madison Lions Club and the Police Department will conduct the closing ceremony.

Advance tickets for the dinner are necessary, and may be obtained for \$2.75 from the local Boy Scout Service Center, 1338A Niedringhaus Ave., between 8:30 a.m. and 5 p.m.

Tickets also may be purchased from Pekarik, 2600 Adams St., phone 452-6181, or Ted Scrump, district commissioner, 3020 Warren Ave., phone 876-0279.

## ISU Educator to Address School Board Officials

Dr. Ben C. Hubbard, head of the Department of Educational Administration at Illinois State University, will be the principal speaker at the semi-annual conference and dinner meeting of the Southwestern Division, Illinois Association of School Boards (IASB), Thursday at Granite City High School.

A smorgasbord dinner will be served at 6 p.m. in the school cafeteria, followed by Dr. Hubbard's talk on the topic, "Legislation and Its Educational Effect." A series of workshops is planned from 8:15 to 9:45 p.m. Harold Wilt of O'Fallon, Southwestern Division chairman, will preside at the conference and a report of association activities will be presented by Sterling E. Ambrosius, director of the IASB General Services Division.

An authority in the field of school administration, Dr. Hubbard has directed numerous studies to improve local schools and to examine the need for reorganization. He has written a number of articles and bulletins in this field and has participated in and directed state-wide evaluation studies.

At ISU Since 1961

The administrator is a native of Alabama and received his B.S., M.A., and doctoral degrees from the University of Alabama. He has been a faculty member at Illinois State since 1961 and previously served 11 years as a classroom teacher, school administrator and university instructor at Alabama and Mississippi.

Dr. Hubbard holds a lifetime

tenant-colonel commission in the Army Reserves and was an instructor of military construction during World War II.

In his part-time position with the School Problems Commission, the educator conducts research work into education problems coming before the commission, helps advise on educational matters and writes the bi-annual reports. In addition he works with the commission in developing its legislative program for schools.

Dr. Hubbard has lectured in a number of states in the field of school law, school finance and general school business. He is a member of numerous professional associations and fraternities. He and his wife are the parents of four children.

**7 Workshop Areas**

Seven specific areas of school administrative techniques will be covered in the workshop sessions, Wilt said.

Workshops, subject matter, participating panel members and presiding officials include:

"Non-Certificated Employees—A Part of the Team." Walter Peterson, president, Board of Education, Valmeyer Community Unit Schools, presiding.

"Legislative Workshop." George E. Moore Sr., member, Board of Education, Granite City Community Unit Schools, presiding, with Wilbur R. L. Trimpe, superintendent, Madison County Educational Service Region, Edwardsville and L. F. Parrish, IASB director of Legislative Activities.

"An Informed Negotiator—A Workable Agreement." Merrill Moore, superintendent, Waterloo Community Unit Schools, presiding, with Charles Matthews, personnel director, Springfield Public Schools and B. J. Davis, Granite City superintendent of Schools.

"Effective Evaluation of Staff and Program." Elmer Liefer, member, Red Bud Community Unit Schools Board of Education, presiding, with Donald Norwood, director of Administration, Data Systems, Sangamon State University, Springfield, and Dr. Hubbard.

"Supervision of Board-Staff Relations." LeRoy R. Trost, superintendent, Marissa Community Unit Schools, presiding, with Warren G. Jennings, superintendent, Jerseyville Community Unit Schools, Olin W. Stratton, Highland Community Unit Schools superintendent and Gerald R. Glaub, IASB director of Public Information.

Representatives from most school boards in Randolph, Monroe, St. Clair and Madison counties, including the three local boards, are expected to take part in the semi-annual conference here.

## New Faces in Assembly Certain in '72 Election

By BOB ESTILL  
Copy News Service

Springfield—There are going to be some new faces in the legislature in 1972, no matter what happens at the polls.

Three Republican senators already have said they're retiring after this term—John Gilbert of Carbondale, Everett Laughlin of Freeport and Dennis J. Collins of DeKalb.

Other Republican Senators who've indicated they may step out are Robert Coulson of Waukegan, Arthur Bidwill of River Forest, W. K. Davidson of Keokuk and Bertil Rosander of Rockford.

Sen. G. William Horsley, R-Springfield, has dropped hints he's tired of it all—but he's said that on the eve of other elections and few are taking his talk of quitting seriously.

Coulson, assistant minority leader and one of the more candid lawmakers, said he's tired of the "name calling and abuse" and of "power politics" that lessen the effect of oral law.

"I'm thinking of very cheer-

fully thumbing my nose at the whole process," said the 44-year veteran. "It just isn't much fun any more."

On the Democratic side of the Senate, Ben Palmer and Robert Cherry share the same district as a result of reapportionment, but Cherry is expected to land a bench post.

Some rumors have been circulating that Sen. Harris Fawcett, R-Naperville, may be thinking of stepping out. However, Fawcett at this point is not committing himself.

In the House, four Republicans have announced they'll run for the Senate—Harber Hall of Bloomington, Dale Williams of Murphysboro, George Lindberg of Crystal Lake and David Shapiro of Amboy.

Eying possible Senate bids are Republican representatives David Regner of Mount Prospect, John Connolly of Waukegan and Don Moore of Midlothian. Rep. George Burditt, R-LaGrange, has told friends privately he may not run for anything in 1972.

## Edwin Reinhardt, 53, Steelworker, Dies

Edwin Reinhardt, 53 of 1601 Garfield Ave., a Granite City Steel Co. employee, died at 3:20 a.m. Friday in St. Mary's Hospital, Clayton. Ill. for three weeks, he had been a patient at the hospital for the same length of time.

He had been employed as a millwright at the steel plant for 25 years.

Mr. Reinhardt was a member of St. Elizabeth Catholic Church and belonged to the United Steelworkers. He was born in New Baden, Ill. and made his home in Granite City for the past 23 years.

Survivors include his wife, Mrs. Alice Reinhardt; two sons, David Reinhardt of Marine, Ill. and Daniel Reinhardt of Granite City; one daughter, Miss Donna Marie Reinhardt of Granite City; two brothers, Louis and Raymond Reinhardt, both of New Baden; a sister, Mrs. Lester (Katie) Fricke of Belleville and three grandchildren.

The Belleville stamp club will present its exhibition "Belpex '71" in the Jubilee Room of Fischer's restaurant in Belleville Saturday from 9 a.m. to 7 p.m. and Sunday from 10 a.m. to 6 p.m. It will be an open exhibit of 100 frames by 16 dealers.

Jacques Schiff Jr., a New York auctioneer, will lecture Saturday on "How to Participate in a Stamp Auction." More information may be obtained from the exhibition chairman, Edward Rykbois, at 1428 Belmont Drive, or by calling 335-3943.

## Hit-Run Accident

A hit and run motorist struck the auto of Arthur L. Knapp, 1612 Mitchell Ave., on Nameoki Road at Edwards Street at 3:30 p.m. Thursday, causing extensive damage to Knapp's car. He told police the driver of the hit and run auto got out of the car, examined the damage to both autos and drove from the scene.

## Strikes Parked Car

An auto occupied by several teen-aged boys struck the parked auto of Evan Curry, 4740 Nameoki Road, in the 2600 block of Madison Avenue at 7:05 p.m. Thursday, police reported. Witnesses reported the auto scraped Curry's bumper and drove from the scene.

## Open House at GCHS Wednesday

Granite City High School will hold open house all day Wednesday in observance of American Education Week. Parents may visit the school at any time during the regular class hours.

Coffee and cookies will be served during the hours 2:30 p.m. to 3:30 p.m.

All schools in the Granite City School District have planned programs, most of them beginning this week, to give parents an opportunity to visit schools in their neighborhood and tour the facilities.

## Nameoki Road Mishap

Cars driven by William E. Isbill, 2408 Kirkpatrick Homes, and James D. Parker, Rural Route Two, Box 791, collided on Nameoki Road near Washington Avenue at 7:05 a.m. Thursday. The collision forced Parker's auto over the curb and onto the parkway.

## Tires, Wheels Stolen

Bobby Coryell, 1410 Grand Ave., told police at 4:25 p.m. Thursday that five tires and wheels were stolen from the back yard of his home overnight.

## Erroneous Address

Jimmy Ray, 34, who was arrested on a theft charge last week, does not live at 802 Kirkpatrick Homes, the address listed by police as Ray's residence, it was reported today.

## How State Is Trying to Control Its Spiraling Public Aid Costs

By Governor  
Richard B. Ogilvie

No task I have undertaken is so complex and difficult as the one this state faces in meeting the huge costs of welfare.

A half-dozen industrial states, including Illinois, are trying desperately—with limited local resources—to cope with a problem that is national in scope. Illinois is in a better position than some states, but that's about like saying we have one broken leg instead of two.

Until Congress acts effectively to assume national responsibility for this national problem, the big states will have to carry the burden of the human and financial failure of the welfare "system."

The fact is that there is no system when the federal regulations number so many thousands of pages that no one can read them all—let alone apply them.

Yet Congress continues to turn its back on the President's proposals, which would lift the financial burden from the half-dozen big states, and start to

reform the mess that has created third-generation families on welfare.

In Illinois, we cannot wait for action in Congress. Until a few days ago, we faced the prospect of a \$180 million shortage of funds to pay for welfare.

I said the task is complex and difficult. But despite that and the huge numbers of persons involved—and the huge costs—there are aspects of the problem that can be understood by anyone with bills to pay. For example: If hospital stays by welfare recipients were on the average just one day shorter, the state would cut its financial burden by \$12 million a year.

That's a saving of more than a dollar per person among our entire state population. And it should be noted that sometimes recipients are now kept extra days in hospitals for no good reason.

That makes no sense for them—or for the state.

To achieve a number of major medical goals, we have been most fortunate in reach-

ing a significant agreement with the Illinois medical profession.

Under this agreement, a committee of Illinois doctors working with public aid officials—will take primary responsibility for continuous monitoring of health care for the indigent.

The doctors will control—as they should—the length of time spent in hospitals by the 250,000 persons a year served at public expense, as well as the admission standards of the nursing homes of the state.

Let me stress that the primary aim is to provide better care, but with greater efficiency.

The scope of the problem of Medicaid costs—that take 42 percent of the welfare budget—can be told with a few figures:—Costs have nearly quadrupled since 1966.

The cost per Illinois welfare family of four for this program is now more than \$300 a year.

When the program started, 252,800 persons in Illinois were eligible for Medicaid; the figure today is 856,000—and it keeps rising.

We have spent weeks analyzing the problems of our entire welfare budget, and all the possible solutions.

As a result of the series of decisions and reforms we have made, we now estimate that the deficit may be cut to \$31 million in state dollars.

Just last week we had good news from Washington that may well put a further dent in that deficit.

From the \$115 million in discretionary funds available at the national level for public service jobs in all the states, Illinois received a whopping \$22 million.

We're hard at work right now mapping plans to put unemployed persons and welfare recipients to work in six major areas of the state.

But most of the more than 850,000 persons on welfare are

## RUTH BIBLE CLASS ELECTS MRS. CAHILL

The Ruth Bible Class of Calvary Baptist Church began the new church year Wednesday with a devotional program and business session held at the church.

The vice-president, Mrs. Ida Kilmer, was in charge and opening prayer was by Mrs. Esther Showers. Mrs. Kilmer gave the devotional, "How to Find God," and articles were read by Mrs. Ruby Pfaff and Mrs. Ruth Connor.

Plans were made for the annual Thanksgiving dinner at the church Nov. 16 for members and their families.

Officers elected for 1971-72 were Mrs. Lucille Cahill, president, Mrs. Pfaff vice-president, Mrs. Goldie Ritchie treasurer, Mrs. Sarah Thompson secretary and Mrs. Showers, publicity chairman.

Guestesses Mrs. Kilmer and Mrs. Pfaff, served refreshments to those named and Mrs. Helen Atwood.

## HALLOWEEN CLUB SETTING

The Kofee Klatchers Social Club held its October meeting in the home of Mrs. Carmen Grider, 2675 Washington Ave., Thursday and hostesses were selected for the November and December meetings.

Table appointments were in a Halloween and autumn theme with a fruit compote in a maple setting, matching candlesticks and green tapers. The fruit was decorated with a pumpkin, ghosts and witches surrounded by fall leaves.

A discussion was held on "Victorian Era Verses Today," and Mrs. Joan Yetter gave reports. A white elephant gift exchange was held and a luncheon and dessert course were served by the hostesses.

Also present were Mesdames Mary Rita Ahlers, Margaret Breyer, Pat Eaton, Olivia Kunemann, Marcella Obranovich, Helen Santagato and Doris Stotz and guests, Scotty Yetter and Miss Ruth Bird.

It was noted that Mrs. More's daughter, Linda, was married to Craig M. Aumann Nov. 13 at Third Baptist Church. Mrs. Eaton invited the members to a pot luck Christmas party at Camp Lakota Dec. 9 with Neighborhood Three Girl Scout leader with whom they were formerly associated.

—in the words of our public aid director, Edward Weaver—in no sense of the word employable.

They are the aged, the disabled, the blind, and the young.

Looking past the immediate problem, I see better day care for children as the greatest hope we have for the future.

We are not running a baby-sitting service for anyone. Instead, we are concerned that we not develop a fourth generation of people on welfare.

Thus our state's commitment to more widely available day care is being pushed to the maximum extent possible.

No matter how vast and complex the welfare problem is, Illinois is going to do its level best to solve as much of it as we can.

Now if we could just wake up those who control the business of Congress...

## Junior College Enrollment in Sharp Rise

### Driver Injured In Two Car Accident

Elroy Jung, 52, of 3204 Aubrey Ave., was injured when his auto was struck from the rear by the car of Ted Polson, 3601 Franklin Ave., on Madison Avenue at Niedringhaus Avenue at 8:55 a.m. Thursday.

Jung was taken to St. Elizabeth Hospital where he was examined for pain to the back of his head and his neck. X-rays were taken and he was released.

### Traffic Charge Corrected

A ticket charging a left turn where prohibited was issued against Albert N. Snail of Madison following an accident last week at Madison and Niedringhaus avenues, rather than against William H. Bratten, 1051 Washington Ave., as previously reported. Police said Snail was northbound on Madison Avenue and turned left, colliding with Bratten's southbound auto.

Springfield—Increasing numbers of students in Illinois are attending the state's junior colleges with an eye toward getting a job, or a better job. After five years of explosive growth of the public junior college concept in the state, emerging trends show a sharp upturn in the numbers of students taking occupational courses. Since overall enrollments are skyrocketing at the schools, the numbers of those taking baccalaureate oriented courses has also increased, but the rate of increase is far less than that in the occupational field.

The fifth annual statistical study of the system, recently released by the Illinois Junior College Board, shows that there were 160,861 "headcount" students enrolled on 46 campuses in 37 districts which cover 75% of the state's geographical area. Of these, 69,751 students were enrolled for 84,118 credit hours in baccalaureate programs, with 42,703 taking 322,587 hours of work in occupationally oriented courses.

Nearly twice as many of the students in the public junior

college program attend on a part-time basis, as are enrolled full time. As of fall enrollment, 1970, only 38%, or 64,750 students, were enrolled full-time, compared to 62%, or 105,211 students, attending on a part time basis.

Because of job requirements, significant numbers attend evening sessions the report shows, with 26,625 full time equivalent students attending evening classes, compared to 67,992 enrolled in day programs.

The report outlines a five point program of goals of the junior college program including:

—An abundance of educational opportunity beyond high school for continuous learning throughout life.

—Comprehensive curricula leading to additional higher education at senior institutions, increased employability and personal and social development.

### Wide Service Range

—A wide range of services designed to improve "the quality of life" and economic status of Illinois communities.

—An open-door admission policy making college education available to all who can profit from it.

—"And all of this is at a price that almost anyone can afford."

The report notes an extreme range of equalized assessed valuations in the varying locally controlled district, ranging from Chicago's \$12.1 billion tax base and 3.3 million people, to Shawnee's \$172 million tax base and Spoon River's 48,000 population at the other extreme.

The equalized assessed valuation per capita (the taxable wealth per person) ranges from \$300 for Illinois Valley Community College at Ogleby, to \$2590 for John A. Logan Community College at Carterville. "Good growth" in library facilities on the campuses is noted, but it also is reported that 24 campuses had libraries in 1970 with total holdings of less than 20,000 volumes, which is the minimum number recommended by the American Library Association and the Illinois Junior College Board. Five are reported as having less than 150 periodical titles, the minimum acceptable number which has been recommended.

### JUNIOR GIRL SCOUT TROOP 243 OUTING

Junior Girl Scout Troop 143, which meets each Wednesday afternoon at Nameoki School, has completed plans to attend the Ice Follies in St. Louis Nov. 6 and to hold a program for Juliet Lowe's birthday Oct. 27. The troop has held its first campout, at Camp Lakota, during an all-Nameoki School weekend. The girls were in

charge of a morning church service. Mothers who accompanied the troop were the leader, Mrs. Marilyn Galbraith, and Mrs. Betty Hermes and Mrs. Inez Ford.

Co-leaders are Mrs. Gale Williams and Mrs. Charlotte Rapp. Troop committee mothers are Mrs. Hermes and Mrs. Earline Johnson.

Future plans include "learn to knit" lessons and participation in the annual Girl Scout calendar sale opening Nov. 1. The group has received a donation from the Nameoki PTA. Members include Anita Wiesehan, Mary Patterson, Dawn Ford, Kathy Longos, Jackie Reeves, Namette Roff, Kimberly Rapp, Lori Cunningham, Laurie McKinney, Sheryl Williams, Robin Johnson, Mary Strauser, Karen Myracle, Karen Hatcher, Lee Ann Galbraith, Stephanie Hethington and Karen Hatcher.

### NAMEOKI WOMEN'S CLUB AIDS ORGANIZATIONS

The October meeting of the Nameoki Women's Club was held Wednesday at the home of Mrs. Irby Todd, 2808 Yale Drive. Co-hostesses were Mrs. Sam Meyer and Mrs. Russell Johnson. Table decorations were in a fall theme.

that a donation of \$100 has been made to the Granite City Association for Retarded. Plans were approved for \$100 to be sent to the "Nearly New Shop," located at the Co-Ordinated Youth office and administered by Quad Church Women United.

Members brought craft items to the meetings and a "show and tell" session was held, with each displaying an original creation. Mrs. Ted Schaefer served as chairman of the program.

A silent auction was held, and items offered included some of the "show and tell" articles.

Others present were Mesdames E. M. Arnovitz, Harold Caldwell, Lucian Dressel, John Harsh, Harold Jansen, Hugh Krause, John Lentz, Paul Maas, Mike Meek, Stanley Maer, Emil Mueller, Otto Shelton, Herman Steinberg, James Stuart and Adolph Weiss and Miss Lucinda Huck.

### Driver Charged

Donald Huckelberry, 2309 Washington Ave., was charged with having inadequate brakes on his auto after it collided with the auto of Henry R. Kennedy, 4510 Nameoki Road, on Madison Avenue at 27th Street at 4:05 p.m. Thursday.

### Faces Traffic Charge

Joseph Clark, 2117 Delmar Ave., was arrested near his home at 4:10 p.m. Thursday and charged with driving without a driver's license.

### Judge Carter Will Run For Appellate Vacancy

Richard T. Carter, 56, of Belleville on Friday announced his candidacy for the Democratic nomination to the Appellate Court for the Fifth Judicial District of Illinois.

Carter, chief judge of the 20th Judicial Circuit, will run in the March primary for the Democratic choice to fill the Appellate Court vacancy created last November by the election of Justice Joseph H. Goldenhersh to the State Supreme Court. Elected to the circuit bench in St. Clair County in 1957, Judge Carter has served on the bench since that time. He was elected chief circuit judge by his fellow judges in 1964 when the new Judicial Amendment to the Constitution became effective and has since been re-elected to continuous terms in that position. He graduated from St. Louis in 1938.

### Steel Wages Up, Jobs Down After Agreement

In its first full month of operation, the new steel labor contract negotiated at the end of July boosted domestic steel employment costs by more than 82 cents an hour, according to American Iron and Steel Institute.

But AISI also reported that the same month saw a drop of nearly 70,000 in total industry employment—and those workers still on the job were averaging less than 30 hours of work per week.

Total employment costs for mill hands came to \$6.77 an hour during August. This was a jump of more than 82 cents an hour over the \$5.95 an hour labor costs total reported for July—the last month worked under the old contract.

At the same time, only 449,998 persons were on industry payrolls in August—a drop of 69,571 from July's 519,569 employment total. The average wage earner put in 26.1 hours a week during August, down from an average workweek of 35.0 hours during July and \$8.2 in June.

August wage and salary payments to all employees by domestic steel producers were \$49,744,000, compared with July's total of \$43,885,000.

**Three Charged With Disorderly Conduct**

Three persons were charged with disorderly conduct following a series of disturbances at the Long Branch Tavern, 2105 Grand Ave., at 10:30 p.m. Thursday.

Charged were Louis Dale Martin, 35, of 2811 Harding Ave.; David Martin, 47, of 1128 Meridian Ave.; and Dixie McCall, 46, of 206 Grand Ave. They were released on \$25 bond each.

**REALISTIC DISASTER DRILL** was held at St. Elizabeth Hospital to test hospital preparedness in handling an areawide emergency and to meet the annual requirement of the Joint Commission on Accreditation of Hospitals. Arriving at the emergency entrance is 'victim' Dennis Ross, on stretcher. Glenda Moore, RN, tags the victim and issues instructions as to where to take him. On the left, carrying stretcher, is Bob Anderson, of the hospital housekeeping staff, at center is Mercer ambulance driver Ed Werner. Explorer Scouts and Candy Strippers also assisted in the drill.

## State's No-Fault Auto Insurance to Be Effective in 1972

(The Midwest Motorist)

Motorists in Illinois will begin 1972 under the new "no-fault" automobile insurance plan which was passed by the Illinois legislature June 30, the final day of the spring legislative session.

This plan requires that all insurance companies issuing liability insurance on private passenger automobiles in Illinois provide for the payment of certain benefits, regardless of fault in accidents.

The benefits payable are:

1. **Medical and Hospital Payments:** The payment of expenses for medical, surgical, x-ray, dental, prosthetic, ambulance, hospital, professional nursing and funeral expenses up to a limit of \$2,000 per person.

2. **Income Continuation Benefits:** Payments of 85% of the income (including salary, wages, tips, commissions) lost by an income or wage earner up to a limit of \$150 per week for 52 weeks per person. (Maximum \$7,800 per person.)

3. **Loss of Services Benefits:** Where the person injured was not an income or wage earner at the time of the accident, payments of benefits in reimbursement of expenses incurred for services ordinarily performed by the injured person up to a limit of \$12 per day for 365 days per person injured. (Maximum of \$4,380 per person.)

These benefits are paid to the named insured, members of his family residing in his household, permissive users of the insured car (permission of the named insured), passengers and pedestrians struck by the insured auto in accidents occurring within the state of Illinois.

The policyholder and his relatives (related and residing in the same household as the named insured) are protected not only while occupying or operating the insured car, but also when injured while occupying or being struck by an automobile that is not covered by similar insurance.

In the event the named insured or his relatives are in another car covered by the Illinois no-fault coverage, they would collect from the carrier insuring that vehicle.

Likewise, if they are stuck in an auto covered by the Illinois law, they would collect from the carrier insuring the striking car rather than from their own carrier.

**Additional Advantages**

U. S. Department of Transportation research indicates that 95% of the persons injured in auto accidents incur income losses of less than \$7,800 and medical expenses of less than \$2,000.

Thus, the coverages provided by the new law should result in the overwhelmingly majority of auto accident victims being fully and promptly compensated for their medical bills and income loss.

Except for injuries covered by workmen's compensation laws or for services or benefits provided or furnished by the United States or any of its agencies, the benefits payable under "no-fault" shall be paid irrespective of whether the injured party receives benefits from other sources.

Such sources could be employer wage continuation plans, unemployment compensation payment of accident and health insurance plans or others.

**Pain and Suffering**

Furthermore, the injured party is not prevented from making claims against the party responsible for the accident for other damage or losses incurred as a result of the accident, including compensation for "pain and suffering."

The Illinois Plan provides that payment for pain, suffering, mental anguish and inconvenient

to salary, wages, tips, commissions, fees or other earnings lost by an income or wage earner as a result of a disability to engage in their ordinary occupation arising from the accident subject to a limit of \$150 per week for a period of 260 weeks per person (\$39,000 maximum).

The insurer providing disability payments may require as a condition for receiving such benefits that the injured person furnish such insurer reasonable medical proof of this inability to work.

3. **Loss of Services Benefits:** Where the person injured in the accident was not an income or wage earner at the time of the accident, payments or benefits must be made in reimbursement of necessary and reasonable expenses.

These expenses can be incurred for essential services ordinarily performed by the injured person for care and maintenance of the family or family household, subject to a limit of \$12 per day for 260 weeks per person injured (maximum of \$4,380 per person).

4. **Survivor's Benefits:** In the event the injured person dies within one year of the date of the accident, a survivor's benefit equal to 85% of the average weekly income of the deceased spouse.

This is subject to a limit of \$150 per week for a period of 260 weeks and must be paid to a surviving spouse dependent upon the deceased for income.

In the event there is no surviving spouse, the surviving children dependent upon the deceased for income will collect.

**Excess Loss Coverage**

As pointed out, 95% of the cases will be adequately compensated by the no-fault law. However, there will be some cases where the damages sustained will exceed the \$7,800 wage loss payments and the \$2,000 in medical expenses.

These can be adequately compensated by an optional "excess loss coverage" which must be offered by the insurer with the right of rejection by the named insured. This coverage provides, after depletion of the basic loss benefits, the following:

1. **Medical, Hospital and Funeral Benefits:** Payment of reasonable and necessary expenses arising from the accident for medical, surgical, x-ray, dental, prosthetic, ambulance, hospital, professional nursing and funeral services. However, the benefits payable for funeral services may not exceed \$2,000 per person.

2. **Income Continuation Benefits:** Payment of 85% of the income including but not limited

to the injury in any of the following ways:

1. Intentionally causing injury to himself.
2. While under the influence of intoxicating liquor or narcotic drugs.
3. Operating a motor vehicle without a license or after suspension or revocation of a license.
4. Operating a motor vehicle upon a bet or wager or in a race.
5. While seeking to elude lawful apprehension or arrest by a police officer.
6. While operating or riding in a vehicle known to him to be stolen; or
7. While in the commission of a felony.

**Prompt Payment**

Payments of the benefits must be made promptly after valid proof has been submitted to the company. They must be made periodically on a monthly basis as expenses are incurred. Benefits are overdue if not paid within 30 days after the company has received reasonable proof of the fact and amount of the expenses.

In the event the company fails to pay such benefits when due, the person entitled to such benefits may sue to recover them.

If the company is required by such action to pay any overdue benefits, the company must, in addition to the benefits, be required to pay the reasonable attorney's fees incurred by the other party.

In the event of a willful refusal of the company to pay such benefits, treble damages will be imposed.

**Exclusions**

The company may exclude benefits to any injured persons covered under a policy where such person's conduct contrib-

utes to the injury in any of the following ways:

1. Intentionally causing injury to himself.
2. While under the influence of intoxicating liquor or narcotic drugs.
3. Operating a motor vehicle without a license or after suspension or revocation of a license.
4. Operating a motor vehicle upon a bet or wager or in a race.
5. While seeking to elude lawful apprehension or arrest by a police officer.
6. While operating or riding in a vehicle known to him to be stolen; or
7. While in the commission of a felony.

## Tax Reforms Would Spur Economy, Congress Told

Prompt Senate enactment of the House-passed 1971 tax reform bill "will constitute a very major step" toward solving current U. S. economic ills, a steel industry spokesman has testified before Congress.

Appearing before the State Finance Committee, American Iron and Steel Institute President John P. Roche said the proposed tax changes will help control inflation, reduce unemployment, stimulate economic growth, improve the balance of payments, and speed modernization of American industry.

According to Mr. Roche, speeding personal exemption increases, hiking the standard tax deduction and ending the 7% ad valorem tax all should give consumer spending a much needed boost.

Of particular interest to the steel industry, however, is the Job Development Incentive Credit.

"We believe that the functioning of the credit will create jobs, and jobs are sorely needed in our economy," the AISI president said.

Mr. Roche cited a recent study of the investment tax credit of the 1960's by the President's Task Force on Business Taxation. The report concluded that the experience of the U. S. and other nations suggests "that such incentives do significantly encourage the development of the productive capacity of a nation."

"It seems clear," he continued, "that the greater the incentive for such investment, the better will be our nation's chances of achieving and sustaining maximum employment during the 1970's."

Greater productivity — which stems largely from higher capital spending — will also improve our international competitive position, Mr. Roche also noted.

The steel industry, said Mr. Roche, has been particularly hard hit by import competition. He noted that domestic demand for its products has increased an average of 2% per year, meaning the past 15 years. Mean-

while, he said, steel imports have soared during the past decade — to the point that through the first eight months of this year the U. S. deficit in its steel trade was \$1.4 billion — even with the present voluntary export limitation program of foreign steelmakers.

## Fall Ceremonial At Ainal Nov. 6 For Class of 150

Potentate Charles H. Wagner expects more than 150 candidates for the Fall Ceremonial Nov. 6 at Ainal Temple, Ancient Order Nobles of the Mystic Shrine, 609 St. Louis Ave., East St. Louis.

The class will be named after John R. Murphy, newly elected Most Worshipful Grand Master of Illinois, who lives in Eldorado, and who will be making his first Shrine function since the election this month. He is a member of Ainal, and will address the Nov. 6 Nobles at the evening session.

Henry B. Struby of Evansville, Ind., Deputy Imperial Potentate who will lead the 900,000 Shriner of North America next year, also will be present for the ceremonial. Struby is chairman of DeMolay activities for the Shrine, and will discuss today's youth.

Patricia M. Potentate Tom Seay of Chicago will attend to confer with the Ainal officers. Divan members from Rockford and Springfield, Ill., as well as Moolah of St. Louis, also will attend.

Paul Mager of Belleville, International President of the High Twelve is expected. This is a group of Masons that meets as regular civic clubs do, and perform for the community as needed.

Members of the Divan of Ainal, including Clarence A. "Jack" Dempsey, director, Dick H. Erway, marshal and Donald G. Adams, outer guard, all of Granite City.

## Personal Tax to be Topic at Clinic

Is the personal property tax dead or alive? This and other tax questions will be answered by a panel of experts at the twelfth biennial tax clinic scheduled for Friday, Nov. 5, in Springfield and sponsored by the Taxpayers' Federation of Illinois.

Charles C. Jarchow, president of the federation, has announced the panel members as follows: Willard Lee, chief, Division of Assessments; R. Dale Yung, legal counsel, Department of Revenue; Wilson J. Park, Sangamon County supervisor of assessments; R. Dale Yung, legal counsel, Department of Local Government Affairs; Eugene Berghoff, executive vice-president, Illinois Association of Park Districts; and from the federation's staff: Gordon Longitia, director of local government; Ronald Cardoni, director of education; and Ed McCreight, director of personnel and pensions.

James W. Scott, executive vice-president of the federation, will moderate the program and serve as a panel member.

The first workshop will begin at 9:30 a.m. Nov. 5 and recess at 11:45 a.m. for lunch. The afternoon session will begin at 1:30 p.m. and adjourn at 3:30 p.m. A \$5 registration fee per person entitles the person to both work shops, lunch and a transcript of the proceedings.

Because of the many tax bills passed at the last session of the Illinois General Assembly and questions relative to the new state constitution, this year's clinic is expected to be of special importance to taxpayers, officials and others interested in state and local taxation. A discussion of the effect of recent court decisions on the state and local taxation picture also will be featured.

## Man Charged After Three Homes Entered

Ralph Martin, 29, of St. James, Mo., was charged with disorderly conduct after he allegedly walked into three homes Thursday night, said he was looking for work, and then left.

Mrs. John Harsh, 2261 Lynch Ave., told police a man walked into her home at 9:15 p.m. Thursday and Mrs. Otto Bauer, 2905 Grand Ave., said a man of the same description entered their home around 10 p.m.

Martin was arrested at Washburn and Miracle avenues a short time later. Bond was set at \$750 and he was turned over to Madison County sheriff's deputies.

## Kickoff Dinner Tomorrow For March of Dimes Drive

A kick-off dinner meeting to launch the annual March of Dimes campaign will be held tomorrow at the Round Table restaurant in Collinsville for all local chairmen and staff workers. The campaign drive traditionally is conducted during January.

The general purpose of the meeting will be to outline procedures, display materials and inform the staff members of the general patterns of the National Foundation.

All local workers have been provided with a resume of the activities of the chapter of the past year. Demands on the local chapter have been extensive, due to extension of the work with congenital defects. Providing scholarship help for young people who plan to study Health Education also is a vital part of the National Foundation March of Dimes program.

A countywide bread sale on Saturday and Sunday before Thanksgiving, in which all communities will participate, was discussed.

The Madison County birth defect poster child, Deborah Warden, will be present and photographs will be taken of the youngsters and city chairmen.

Deborah is the daughter of Mr. and Mrs. Robert Warden. She was born Nov. 1969 with an open spine. She underwent surgery when she was six days old and now is able to walk by holding on to furniture or walls. She is now in her second pair of braces.

Quadrant chairmen are Mrs. Glen Chaboude for Granite City, and Charles Voloski for Madison and Milton Morris for Venice.

Dr. George Wilkins, Mrs. Chaboude and Mrs. Lorene Morris serve on the medical advisory committee.

**Woman Injured as Autos Collide in Intersection**

Miss Pamela N. Thorne, 18, of 2123 Delmar Ave., was injured when her car and one driven by Dewey H. Deason, 1726 Edison Ave., collided in the intersection of 21st Street and Grand Avenue at 3 p.m. Thursday.

Deason was charged with failure to yield the right of way at an intersection.

Miss Thorne was taken to St. Elizabeth Hospital where x-rays of her spine were taken and she was released.

**Fire Damages Auto**

A carburetor backfire started a fire which caused approximately \$50 damage to the auto of Bonnie Hunter, 3256 Rodger Ave., at 6:30 p.m. Thursday, near her home. A passerby extinguished the blaze after firemen were called and it was out when they arrived.

**Woman Recovering From Assault in Tavern**

Booby Perrin, 28, of Glen Carbon, was in good condition at Firmin Deasie Hospital, St. Louis, this week after having been assaulted and beaten by a man wearing brass knuckles Thursday.

Perrin was in a tavern in the 1500 block of Pontoon Road when he was assaulted, police said. He was taken to St. Elizabeth Hospital with an injury to his right eye and multiple facial lacerations and contusions. He was treated and transferred to the St. Louis hospital.

An 11-year-old Granite City girl was injured when she ran into the street and was struck by a car on Madison Avenue, approximately 35 feet north of 28th Street, at 5:15 p.m. Thursday.

Brenda Arauza, the foster daughter of Mr. and Mrs. Hubert (Fern) Terrell, 2413 Edwards St., was running west across the street when she was struck by the auto of Corbin B. Stambaugh, 2729 Dale Ave., police said. Stambaugh's auto skidded on the wet pavement and the driver said he was injured.

She was taken to St. Elizabeth Hospital where she was examined for pain to her left thigh, and was transferred to Belleville Memorial Hospital.

## Man Recovering From Assault in Tavern

Booby Perrin, 28, of Glen Carbon, was in good condition at Firmin Deasie Hospital, St. Louis, this week after having been assaulted and beaten by a man wearing brass knuckles Thursday.

Perrin was in a tavern in the 1500 block of Pontoon Road when he was assaulted, police said. He was taken to St. Elizabeth Hospital with an injury to his right eye and multiple facial lacerations and contusions. He was treated and transferred to the St. Louis hospital.

## Military Airlift Band To Perform at Venice

The U. S. Air Force Military Airlift Command Band from Scott Air Force Base, Belleville, will present a special concert for Venice elementary and high school students at the Venice School gymnasium at 10 a.m. Wednesday. Pupils from St. Mark's Parochial School also will attend the concert.

Donald Mancell, director of instrumental music for Venice schools, said the band's performance here will be under the direction of Master Sergeant Jesse L. Brown. Major Herman G. Vincent, U.S.A.F., is the special unit's commanding officer.

The 60-member band, which includes a choral group, has appeared throughout the United States at many civilian and military ceremonies. The group's most recent presentation was at Our Lady of the Snows Shrine, near Belleville.

After the performance, the servicemen-musicians will be entertained at a smorgasbord lunch in the cafeteria at Mark's School, with members of the Venice Band Parents Club in charge of serving the meal.

Parents of Venice students are invited to attend the concert, Mancell said.

Cub Pack 20 met at Webster School Thursday evening for an awards program and Halloween party in the gymnasium. The program opened with a flag ceremony by Webelos Ronnie Eaton Jr., Jeffrey Arnold and Monti Naler.

The cub leader coach, Mrs. Barbara Schwertmann, introduced the new cubmaster, Chester Branaman; Webelos leader, Ronnie Eaton; and den mothers, Den One, Mrs. Schwertmann and Mrs. Christine Cox, Den Two, Sereida Pasley, Three, Mrs. Judy Mills and Mrs. Irene Filter, and Four, Mrs. Ruth Coad and Mrs. Judith Aldridge.

Advancing to Webelos were Jeffrey Arnold and Monti Naler. Bobcat awards went to William and Wendell Walker, Ronnie Eaton, Albert Young and Brian Weiss. Branaman presented awards to Michael Frazier, Joseph Jakul, Daniel Wright and Timmy Aldridge.

The Webelos retired the colors and in costume judging Brian Ballard won a prize as best dressed. The den will be working on plays and games for a Thanksgiving theme meeting in November.

Each den was in charge of a portion of the Halloween program—Den One, refreshments; Two, decorations; Three, entertainment; and Den Four and the Webelos, clean-up.

CONTRIBUTION OF \$75,000 was reported to the United Fund by representatives of the Granite City Steel Co. Labor-Management 30-Minute Club during the United Fund's second report session. The \$75,000 raised by the club is \$5,000 more than last year's pledges. Left to right, John Boneau of Union

### FIRST BIRTHDAY OF JOHN ARBEITER

John Arbeiter celebrated his first birthday at a party given Wednesday evening by his parents, Mr. and Mrs. Franklin Arbeiter, 59 Carla Drive. Birthday cake and ice cream were served to maternal grandparents, Mr. and Mrs. Ralph Monken, maternal great-grandmother, Mrs. Charles Mueller, paternal grandparents, Mr. and Mrs. Jerry Arbeiter, Miss Lynette Arbeiter, Mr. and Mrs. Joe Howard, Mrs. W. C. Watkins, honoree's brother and sister, Frankie and Laura.

Tammy and Tari Handfelder, daughter of Mr. and Mrs. Bill Handfelder of Arlington Heights, were hostesses Friday evening to a slumber party. Their guests were Victoria Dawson, Krista Filcoff and Taina Kilponen.

The girls spent the evening in the family's camper and roasted wieners and marshmallows around a bonfire built for them by Handfelder.

### HALLOWEEN PARADE IN ARLINGTON HEIGHTS

The Arlington Heights Women's Club will sponsor this year for the second time the Arlington area's fifth annual Halloween parade.

Mrs. Loretta Rakowski, chairman of the event, has announced that the parade will be held Friday evening, Oct. 29, beginning at 7:15 at the Davis curve in Shirwin Drive.

The parade will continue down Shirwin to Arlington Drive, ending at the lighted parking lot of the Arlington Golf Club. Prizes will be awarded in three categories, most original, spookiest and prettiest, in each of two age divisions, one through six, and seven through teens. A prize also will be awarded for the best adult costume.

Refreshments will be served following the judging.

### Parked Car Struck

Roy Peppers, Edwardsville, told police at 11:30 p.m. Saturday that a hit and run motorist struck the right front of his car while parked at Tri Mor Bowl 3701 Nameoki Road.

### ANNUAL OPEN HOUSE AT PARKVIEW SCHOOL

Friends of Parkview School gathered Thursday night for the annual "open house" and were greeted by the principal, Mrs. Agnes Frntzko, and teachers.

Prior to visiting the rooms, they heard descriptions of special areas of instruction by Mrs. Maudeleine Chilton, special education, and Ronald Goldsmith, speech.

Guests signed registers in each room and toured the classrooms, which were decorated for Halloween. Posters throughout the school announced the PTA "fun fair" Friday, Nov. 12, from 4:30 p.m. to 9 p.m.

### REVIVAL AT TEMMANUEL

The Rev. Harold W. Covington, Green Rock, Ill., will be at Emmanuel Baptist Church, 180 Pontoon Road, Oct. 24-31 to conduct a revival. Nightly programs begin at 7:30 and a nursery is being provided.

A "meet the evangelist" fellowship period will take place tonight following the service.

The Rev. Vernon Covington is pastor of the church.

### General Steel Contract Negotiations Continue

Contract talks between the Casting Division of General Steel Industries and the United Steelworkers of America Local 1022 are continuing this week at the local plant, a union spokesman said today.

Today will be spent in resolving local "shop" issues and negotiations on wages, fringe benefits and other provisions are expected to resume tomorrow, the spokesman said.

### Fire Damages Car

A carburetor backfire started a fire that caused approximately \$600 damage to the car of Caroline McCain at 1 a.m. today while the car was parked at 15th and State streets, Granite City firemen extinguished the fire.

"... how do we turn a lump of coal into electricity? That's a question we answer for thousands of students each year as they tour our power plants. They and their teachers see first hand every step of the process of producing energy. They see some interesting things—a boiler big as a large hotel, a generator that whirls at the speed of a bullet. Many Illinois Power employees take turns conducting these tours... and it's a job we look forward to. NOTICE  
Notice is hereby given that sealed bids will be received by the Board of Supervisors at the office of the Superintendent of Highways at 200 Hillsboro Avenue, Edwardsville, Illinois, until 11 o'clock A.M. Tuesday, November 9, 1971, for the furnishing of the following equipment delivered to the Madison County Highway Garage at Edwardsville, Illinois:  
Three 1972 model 2 ton dump trucks and one 1972 model 1/2 ton pick up truck.  
Specifications may be obtained at the office of the Superintendent of Highways, 200 Hillsboro Avenue, Edwardsville, Illinois. Any discount shown on the bid to be allowed for payment in advance of the monthly meeting of the Madison County Board of Supervisors, will be taken into consideration in determining the low bidder.  
Bids must be submitted on forms provided by Madison County Highway Department. Bidders must submit complete standard specifications of their equipment and indicate as to whether they will accept the same. A Questionnaire on a form furnished by Madison County and designed to aid the County in the proper selection of equipment offered is to be completed by the bidder and filed with the bid.  
If the Questionnaire is not completed and furnished with the bid the bid will not be considered.  
The right is reserved to reject any and all bids.

Mrs. Cora Little celebrated her 90th birthday Friday in her home, 1723 Rhodes St.

Lunch was served in the home during the noon hour to Mr. and Mrs. Edward Little, Mr. and Mrs. Don Williams and daughter, Shara Lea, Mrs. Jean Voegel and daughter, Ellen, Mrs. Lenna Williams and Mrs. Joan Graklanoff.

A large birthday cake was served by Mrs. Little as the family sang the birthday song. Gifts were opened and pictures were taken. Cards and flowers were sent to the home by friends and relatives.

Mrs. Ruth Hannebrink, 1915 Fifth street, returned to her home Wednesday after spending a week visiting Mrs. Sista Oestreich in Fulton, Mo. Mrs. Hannebrink also visited other friends and relatives in that area.

The Phebean Sunday School Class of First Baptist Church held a monthly meeting last week in the home of Mrs. Jewel Ratliff. The meeting opened with prayer, followed by a devotional by Mrs. Ruth Hannebrink, who also read a poem "Thanks." For the devotional she chose the 23rd Psalm.

The group discussed the topic and poem which the hostess served refreshments to Mrs. Hannebrink, Ruth Colwell, Nell Montgomery, Pearl Kingsley, Bertie Hobbs, Nell Polotek and Ora Richardson. Mrs. Richardson will have the November meeting in her home.

### SURGERY PATIENT

Mrs. Lorene Morris returned to her home Friday after visiting her son-in-law and daughter and family, Dr. and Mrs. Douglas McBride and children, Jeffrey Tracie and Kimberly, in New Port Beach, Calif.

Mrs. Morris also visited Dr. Mrs. Paul Perroworth and family while in California.

Mrs. McBride had surgery during the visit and is now recuperating at her home. She is a former Venice resident.

### Levee Trustees Appeal Under Advisement

Arguments in an appeal of the misconduct conviction of the three trustees of the East Side Levee and Sanitary District were taken under advisement Thursday afternoon by a three-judge panel in the Fifth District Appellate Court.

The arguments were heard by Judges Edward C. Eberspacher, Shelbyville; Charles E. Jones, McLeansboro; and Caswell Krebs, Robinson. Kenneth Juon, assistant state's attorney of St. Clair County, presented the prosecution argument and Levee Board attorneys John J. Hoban of Belleville and Harry Hartman of Venice represented the trustees.

Meanwhile, an amended bill to establish a special legislative commission to study the question of splitting the levee district is expected to receive second reading in the Illinois House at Springfield Tuesday.

### Arrested in Venice

Johnnie W. Watts, 42, of 1066 Douglas Ave., Venice, was arrested and charged with criminal trespass to a vehicle at 8:20 p.m. Sunday at the Sinclair Service station, 401 Broadway Ave., Venice. Watts was released on \$50 bond pending a hearing Nov. 10.

### Tape Recorder Stolen

A tape recorder valued at \$110 was stolen from the parked car of Danny R. Warfield, 2954 Warren Ave., while the car was parked in front of his home. He reported to police at 7:55 p.m.

## Business Women Honor State BPW President; Local Senior Citizens

In observance of "Business and Professional Women's Week," marked last week by the women's organization at the national, state and local levels, the Granite City Business and Professional Women's Club participated in several activities, including a district event in Alton honoring state officials; entertainment for local senior citizens and a monthly dinner party at the Granite City Army Installation.

More than 125 women, representing 12 area BPW clubs which comprise District 14, convened Thursday at the Stratford Hotel in Alton to honor Mrs. Doris Marks, Illinois BPW president, and members of a state caravan.

The Illinois federation executive was welcomed by Mrs. Dolores Allen of Granite City, District chairman, who also introduced club officers and other distinguished guests. Mrs. Verna Lengyel, also of Granite City, led the pledge of allegiance.

Various BPW programs that are advantageous to women, including the personal development series, were discussed by Mrs. Marks who cited her own improved self-confidence as an example since she joined the organization. Mrs. Marks, who is president of the local BPW chapter, entertained the group with her rendition of TV personality Phyllis Diller.

## Marshall Open House Tuesday

The Marshall PTA met Thursday evening for its October session and plans were made for an open house program tomorrow, Cub Pack 17's Den Two, under the direction of Mrs. Ann Osburn and Mrs. Pat Barnes, led the pledge of allegiance with Phillip Carey, Jay Osburn and David Brewer presenting the flag.

Mike Clark, Calvin Barnes, Phillip Johnson, Kenny Wilson, David Marks, David Finkel and Cubmaster Bill Johnson read the PTA prayer.

President Bill Schreier presided and welcomed the audience. Room count was won by Mrs. Houston's third grade class.

The treasurer, Mrs. Karen Ambuehl, reported on a bake sale, which was a success, and announced that the group won first place for a diamond costume presentation.

The secretary, Mrs. Jean Martin, gave a report and Mrs. Marilyn Smith, fund-raising chairman, reviewed plans to attend a radio show Nov. 18. It was decided to ask the faculty to study proposed purchase of books on the environment.

The vice-president, Mrs. Mary Haven, introduced State Rep. Horace Galvo, who spoke on personal property taxes and corporation taxes and told how they aid education and other services.

Refreshments were served by the hospitality chairmen, Mrs. Mary Jo Akeman and Mrs. Judy Wells, and fifth and sixth grade room mothers.

Decorations were in a Halloween motif. Mrs. Rosemary Ortiz and four scouts from Union Troop 709, Vickie Strubberg, Lisa Londys, Kathy Strubberg and Kathy Ortiz, assisted in serving.

## Local Secretaries Name Rule '71 'Boss of Year'

Elroy Rule, business manager of Our Lady of the Snows Shrine, was voted the title of "Boss of the Year" at the annual "Bosses Night" dinner of the Tri-Cities Chapter, National Secretaries Association (International), held Thursday at the Round Table Restaurant, Collinsville.

The 1971 award winner is the supervisor of Mrs. Betty Borsch, a Tri-Cities Chapter member for two years. Rule has been employed by Our Lady of the Snows Shrine for 25 years. He and his wife Joanne, are the parents of 14

children, ranging in age from 6 to 22. They have one grandchild. The family resides in Belleville.

An active supporter of the National Secretaries Association and a panelist at a recent program of the Tri-Cities Chapter, Rule is the eighth individual to be selected as "Boss of the Year" by the local chapter.

The first "Boss of the Year," selected in October 1964, was Charles P. Whitehead, retired president and chairman of the board of General Steel Industries. Other award winners were N. R. Brink, A. O. Smith Corp., 1965; Harry Thebaud, State Farm Insurance, 1966; Larry Sidener, Sidener Supply, 1967; Walter Elliott, Henges Company, 1968; Mrs. Mary Seckman, Amco Plumbing, 1969; and David Read, Dixie Mill Company in 1970.

The surprise announcement of the new "Boss" was made by Read who presented Rule with a certificate and, in keeping with the Hollywood theme of the dinner, an "Oscar" loving cup.

The room was decorated with movie posters and programs were embellished with photos of movie stars along with simulated personal messages. Flashing lights added to the "Hollywood" atmosphere. Fourteen prizes awarded were colored photos of the winners taken with their friends.

Entertainment was furnished by the East Bank Players com-

munity theatre group, who presented a vignette of their recent production, the "Fantastiks."

Mrs. Milli Hoelscher explained the history of the Players and introduced Frank Joachimschaler, who performed dual parts in the production. Other cast members were Debbie Hightower, Bill Hoelscher and Dakin Williams. Mrs. Pat Milster of St. Charles, Mo., accompanied the group on the piano.

Past award winners attending were presented with bouquets and a corsage and members in charge of "Bosses Night" wore white sashes as identification. Mrs. Helen Gieselmann was chairman of the arrangement committee, assisted by Mrs. Dorothy Ashford, Miss Dolores Bourtau, Miss Jane Davis, Mrs. Sally Gracey and Mrs. Gerry Sharp. Forty-four were seated at dinner. An attractive fall centerpiece which graced the head

table was given to Mrs. Rule as a memento.

Miss Twila Edmonds, Tri-City Chapter president, congratulated the award recipient and dinner committee. Pre-dinner piano music was played by Norman LeTourneau of General Steel Industries.

The local NSA chapter will meet Thursday, Nov. 4. Secretaries interested in attending may make a reservation by contacting a chapter member before Nov. 2.

# THE EXTRA STEPS WE TAKE TO BRING YOU **'Dawn Dew'** **FRESH** **Produce...AND MORE OF IT!**

In produce as in everything else we offer, we know if you're going to get more, we have to do more. National maintains its own procurement offices to choose only the best available.

These offices are carefully located so that our produce experts can be on hand wherever crops are located and at the proper time when fruit and produce are ready for picking. Our people are in the fields to see for themselves... and choose the finest available.

Going directly to the growers ourselves allows us to procure special varieties of produce that are often so scarce, you may have difficulty in finding them anywhere but at National. These include such exotic items as kiwi fruit, papayas, mangos and French Endive.

Our produce people continually keep the pressure on to bring you the very freshest items... from the growers' fields to the moment you make your choice at your National Super Market. That's why we can be confident enough, again, unlike others, to offer your choice of over 200 varieties of fresh produce in bulk, so you can select the exact amount you want.

# Pride...That's What It's All About!

National is not a group of buildings, warehouses, trucks and merchandise—National is people! People like you, family men and women who share your concern about rising costs of living. Ours is a people-to-people business. Our only purpose is to serve the needs of the community in which we operate. The 2,500 employees of national are proud of their company. Proud because of the great lengths to which National goes to serve the community better.

Pride goes a long way at National Food Stores. It is pride that keeps National's shelves and displays filled with only the finest foods. We want to make sure that you too will be proud when you serve your family and guests.

The customers are the reason for our existence. Each clerk, each check-out girl, each department manager and store manager have one aim—to serve you individually the finest quality merchandise available. Because you, our customer, are so important we take pride in bringing you only the finest.

## Cash-in as you Check-out with EAGLE STAMPS

*the extra you don't pay extra for!*

Ninety-four percent of the families in this area save Eagle Stamps. And an awful lot get their Eagle Stamps from us . . . National Super Markets. National's in the food business, not the stamp business. Eagle Stamps are something extra . . . the extra National pays for, not you. Since Eagle Stamps are good for cash, they're really cash back on your purchase at National Super Markets. For some people, that's a little hard to believe. Especially since they've heard so often that you pay more at stores that give stamps. So let's say it plain. We wouldn't offer Eagle Stamps unless we thought it would encourage you to shop with us. And if we made our prices higher to make our customers pay for Eagle Stamps, would anybody shop at National? Offering super discount prices plus Eagle Stamps is another way National makes waves in the supermarket business.

Considering everything you get at National anyway . . . aren't you better off with Eagle Stamps than without them?

**FILLED EAGLE STAMP BOOKS CAN BE REDEEMED FOR CASH OR MERCHANDISE. REMEMBER, IT ONLY TAKES 1250 EAGLE STAMPS TO FILL A BOOK.**

# FOR FINE MEATS!

WHAT NATIONAL DOES TO BRING YOU BETTER MEAT

Other grocers go to a meat packer and buy the best meat they can find. When they get lucky, you get lucky. At National, lucky just isn't good enough.

NATIONAL MAINTAINS THEIR OWN FEEDING LOTS

No other super market maintains their own feed lots and meat packing plants. National does . . . so that we can assure the consistent high quality of our meat during every stage.

Our experts select only the finest young feeder stock. They are then fed on a scientific diet based on cooked grains until ready to go to market. Again, only the best are selected to be sold in our stores.

This system of preparing beef for your selection offers you consistent tender, flavorful beef day after day and week after week. These are just examples of the careful procedures and painstaking selections that National's meat professionals conduct to make sure their standards of acceptability are met.

These are things we wouldn't have to do, just to do business. But our meat experts won't settle for anything less than the highest standard of quality . . . Colorado corn fed beef, USDA Choice only!
